FRENCH OPINIONS

Two Countries Brought

Out by Letters.

Paris, March 3.-The letters ex-

changed by the British and French

Premiers are, in the general opinion

of political and diplomatic circles, in-

tended to create an atmosphere for the reception of the report of the rep-

aration experts and the eventual hold-

ing of an inter-Allied conference. It

is remarked that the correspondence

merely brings out once more, although in rather softer terms, the

wide divergencies between the two

countries, but minimizes the subsid-

tary questions which during the past

two years have been the cause of hag-gling. This is regarded as a distinct

gain, since it is regarded as fruitless

for the Allies to come together agoin

their disagreements over such ques-tions as the occupation of the Ruhr

and the Separatist movement in and

It is taken for granted now in well

informed circles that the experts will

make a unanimous report and that it would be so drawn that the French

Government will be likely to accept it. This, it is pointed out, will pave

ence if Great Britain also finds the

In view of such event, it is con sidered in reparation quarters as well as in French official circles that the Premiers bave shown wisdom in making known through their correspondence that questions like that of the Ruhr will not be allowed to interfere with the success of such a con-

ference, and that the discussions was

be raised above the level of an argu-

ment over the methods and details and brought up to the plane of a final,

earnest effort to reach an agreement

to deal with it early next week, and

if a meeting of the Allies be the out-

growth they can arrange for such a

meeting to be held toward the end of

the present month or early in April.

British and French Premier is hailed by most of the Paris newspapers as

the Mover and Seconder of Address.

ICanadian Press by Leased Wirel
Ottawa, March 3.—The House of Commons gets down to business to day with the opening of the debate on the address. The length of the debate on the address. The length of the debate on the foreshadowing of tariff reduction contained in the Speech from the Throne is regarded as likely to arouse considerable discussion and there are a number of other questions.

4,964,000 pelts of fur bearing animals taken in Canada during the season.

The combined values for Prince, Edward Island, Nova Scotia and New Brunsels, March 3.—Princess Louise, of the present cabinet crisis, to imitate the example of Great Britain of Belgium, died at Weisbaden, Satur day, from double pneumonia after an illness of ten days. She died with the runse of Count Mattachich, for whom she left her husband, Prince Phillippe of Saxe-Coburg-Gotha, more than 20 years ago, the last word that passed her lips. She uttered it just before she lost consciousness early in the statistics available show that in 1922 there were 977 fox farms of which less that are likely to be brought up in the course of the debate. It has been suggested that the charges made re-cently against two of the members of the Cabinet in connection with the Home Bank may also be aired during

Mrs. W. G. Clarke Escaped Serious Injury When Horse Bolted and Sleigh Collided With Another.

Mrs. W. G. Clark sustained a severe shaking up early this afternoon when she was thrown from a sleigh in which she shriving when the horse bolted from the Post Office and collided with a team driven by R. T. Baird in front of the Normal School. In its dash up Queen street the animal became further frightened at the efforts made by E. O. MacDonald to secure the runaway and shieu into Mr. Baird's team, upsetting Mr. Baird's team, upsettin No further injuries than a serious but it is reported unofficially that

such action is probable.

Two subjects have been mentioned as likely to provide material for an amendment, one being the tariff, and the other the allegations against Hon. American Tel. & Tel. E. J. McMurray and Hon. James Anaconda Murdock in connection with the Home Bank. A Conservative caucus is stated Bethlehem Steel to have been summoned for to-morrow Chandler and the Opposition amendment, if one is moved, may be postponed until after it has been discussed by all the members of the party in the two Cosden Oil houses.
