293 dressed Hogs.
4.362å quintals of Codfish.
156.734 dozen of Eggs.
354 tubs of Lard
529 do Butter.

529 do Butter. 6014 barrels of Oatmeal.

y23 do Flour.
464 do Oysters.
2,544 begs of Salt.
21 crates, 17 links. & 25 cks. Sh
778 boxes Preserved Salinon, &c
7 kegs and 1 bbl. Saussages.
107 live Hogs.
198 Horses.

13)5 Stosep.
13)5 Sheep.
12 head of Poultry.
23 barre's Flax Seed.
18 hhds. and 23 puncheons Mol.
40 shds. and 40 bbls. Sugar. This is only a portion of the Expo-ounty, shich will be largely increased County, shich will be largely increased from the ports of Pinette, Orwell, Cr. and New London. At current prices i produce alone amounts to £101,084, or pork, ham, and dressed hogs figure up 4 500; the fish, exclusive of the mackere salmon, &c. £6000 or \$51,200—total £1; cur. Engs at seven nence per dozen, sations, &c., L000 or \$51,200—total £1: 000. Eggs at seven pence per dozen, or or \$14,624; horses about £5,000 or \$16, erd at £3 per barrel, £37,506 or \$1; about one fourth was ewned by P. K. It The oats, potatoes and barley, were

19,489 21,890 49,773 434,330 France. England, St Pierre,

The Turnips went nearly all to No eral small cargoes of Island Potatoes Pictou, and Cape Breton. Of the Maci whole went to the United States. T their way into the same market, by Colonial Steamers, but principally sia Of the Pork, Nova Scotia took 2:90 b Of the Pork, Nova Scotla took 2190 ba ed Hogs, and 17,130 pounds Ham; Netbarrels, and 32 dressed Hogs; Newfourels, 106 dressed Hogs and 6,035 pot laud 141 barrels, and the United State dressed Hogs. The Codfish, &c., went Scotia, the United States and West It Scotia we sent 5 Horses and 430 Sheep wick 175 Horses and 339 Sheep; to N Sheep, and to the West Indies 14 Horse Of the following articles the imports

We also imported 1,185 barrels of a large, and 5,100 tons small coal, 3,777 899 thousand laths, and 1,5005 thous exclusive of deals and scantling. Wi of the appels, the whole of these ar Nova Scotia and New Brunswick; of far the largest proportion was used for poses. The boards and laths indicate house building during the season. Po fact connected with our import tra fying and encouraging than the mar-the item of flour, which has annually, of our wheat crop, been making such a on the recources of the Colony. Next en the recources of the Colony. Next decrease will be still more marked, ports are also 6,678 barrels of her quintals codfish. Of the 8,600 barrentered by the Gulf fleet, about 3,049 as we could ascertain, were caught in
