der and instantly disappeared as a flame. its asbequent course being marked by a dense cloud of smoke, which ouly deleared away when the projectile had failen and exploded. Soon after, the set ko on the Chelles quarter were at an failen and exploded. Soon after, the day. There was a a andful of Saxons at these two outposts and in the face of such a force they were obliged to evacuate them. The French direction of Le Boarget. Presently we saw that a French division was advanc-ing on this village, which before now has been the scene of more than one se-were encounter. A battalion of the Guards were there to receive them, this it was soon reinforced. A battalion was all as at Aulnay. By way of adi-
