CONSUMPTION CAN BE CURED.

IS A FACT ATTESTED BY THE HIGHEST MEDICAL
AUTHORITIES IN THE WORLD.

A careful observation of the laws of health, and the systematic and persistent use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that Scott's Emulsion is being used with better results than any other remedy prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrophula, Anemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

See What Physicians and the People Say About It.

Messrs. Scott & Bowne: 66 West Thirty-ninth Street, New York, September 2, 1876.

GENTLEMEN:—I have frequently prescribed Scott's Emulsion of Cod Liver Oil, with Hypophosphites during the past year, and regard it as a valuable preparation in scrophulous and consumptive cases, palatable and efficacious.

Messrs. Scott & Bowne:—Gentlemen,—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil, with Hypophosphites and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach, which renders it a very reliable agent as a nutritive remedy in consumptive and scrophulous cases.

Messrs. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly agreeable and elegant form.

Messrs. Scott & Bowne:—Gentlemen,—In September, 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of by many violent symptoms appeared, stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations until they did me no good. I lost all hope of life and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I afterwards bought a dozen bottles, with the following results: Cough subsiding, night sweats stopped, appetite improved, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, "What cured you?" and I answer, "Scott's Emulsion of Cod Liver Oil, etc." I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up as a case a year ago, but he is improving now wonderfully. My recovery is exciting the surprise of many people, and shall do all I can to make known your valuable medicine.

Very truly yours, H. F. SLOCUM, Lowell, Mass.

Messrs. Scott & Bowne:—About the 25th of last April I got a bottle of your Emulsion and at that time I was so prostrated that no one who saw me thought I could live longer than a few weeks; nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and walk, and am getting flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover, and I am gratefully yours, R. W. HAMILTON, M. D.
