**THE SQUARE**  
The citizens are pleased to note that at last a real beginning has been made to get the square in shape for the summer months. Because of illness the caretaker has been unable to perform the work as rapidly as he would like but during last week a decided improvement was made in the appearance of the park and it is to be hoped that nothing will now prevent the work from being promptly completed.

**BARN AND CONTENTS BURNED**  
Mr. John Baldwin of Douglasfield met with a very serious loss Friday night when his barn with contents including a horse; 4 cows; young cattle; pigs; hay and farm machinery was destroyed by fire. Mr. Baldwin was awakened between one and two o'clock and looking out saw his barn in flames. Nothing could be done to save it as the fire had got too great a start. Mr. Baldwin's loss is heavy being estimated at between \$3000 and \$4000. He had no insurance.

**MAGIC BAKING POWDER**

*The Secret of Successful Baking*

consists very largely of choosing a baking powder whose leavening qualities are uniformly reliable. Magic Baking Powder is the powder that never fails you. This is the reason why it is by far the most popular baking powder in Canada.

**THUNDER STORM**  
This section had its first thunder storm yesterday morning followed by hail and afterwards by heavy showers of rain.

**BOY SCOUTS**  
The Boy Scouts headed by the Bugle Band paraded last Sunday to divide service held in the local Methodist Church. The troop presented a pleasing appearance and many commendatory remarks were passed by the citizens. The Bugle Band is composed of members from the Cadets and Scouts with James Chambers as instructor. The band members are getting along nicely with their calls and marches and are deserving of much praise.

There is no pick-me-up like a good cup of tea. No matter at what hour you may drink it; it is stimulating and it is a healthful stimulant too. Visit any hospital and note the quantity of tea that is served to convalescent patients. The doctors permit these patients to have a cup of tea whenever they feel like it because they know it will do them good. The best tea of course for both doctor and patient is MORSE'S Tea the kind that makes 240 cups of good tea to the pound

**LUNCH FOR THE MAN**  
It is always a problem to make up a tasty and nourishing lunch. A reader sends us this letter on the subject:  
"My husband as a rule hates sandwiches but this one never fails to call forth words of commendation—one hard-boiled egg; one half the amount of salt meat—ham; corned beef; dried beef or cooked bacon. Grind the egg and the meat. Season to taste with salt; pepper; mustard and a few drops of vinegar. Moisten to spread with Borden's St. Charles Milk. Serve on a crisp lettuce leaf with a little onion; chives or celery chopped in with it if you like. Allow one egg for each three sandwiches."

**A CLOSE CALL**  
Mrs. Beatrice McNulty had a narrow escape from death on Monday night when she was on her way to Newcastle to bring her brother, Jack Groat home. When near Bushville she met three cars going toward Chatham and endeavoring to observe safety first precautions went too far to the side of the road. Her car got into the drain of the road and toppled over, righted itself and ran over the river bank landing on its wheels in the sand 20 feet below. The young lady was rendered unconscious and received a few minor bruises in the mishap but after an hour was able to walk home. The other cars had passed on unaware of her serious plight. The car was a McLaughlin runabout. The top was completely fastened; the windshield smashed and the hood badly damaged.

**SUPPER AND CONCERT**

**A Real Nerve Tonic**  
Is a Bountiful Supply of Rich Health Giving Blood.

Sufferers from what medical men speak of as nervous debility find themselves tired; moose; low spirited and unable to keep their minds on anything. Any sudden noise hurts like a blow. They are full of groundless fears and cannot sleep at night. Their hands tremble; the legs feel as if they will give away following a walk or any exertion and the mind is greatly disturbed by the most trivial incidents.  
Doctoring the nerves with poisonous sedatives is a terrible mistake. The only real nerve tonic is a good supply of rich red blood. To secure this new rich blood use Dr. Williams' Pink Pills which have a direct action on the blood and through it stimulate every nerve and organ in the body. Mrs. Alpheus Merritt; Fenwick, Ont. gives her experience with this medicine as follows:—"I had a nervous breakdown and was in the Welland County Hospital for some time. As I was not improving my husband took me out and took me up to my mother's. I doctored there but it did not help me. Then I returned home and was again under a doctor's care but with no better results. I would tremble and get numb all over and the least noise would affect me. I was quite unable to do my housework and was in a terrible condition. Finally I was advised to try Dr. Williams' Pink Pills and am thankful that I did so; as after taking about a dozen boxes I was again a healthy woman. I have used the pills since while nursing my baby with equally good results and I strongly advise other ailing women to try them."  
If your dealer does not keep these pills you can get them by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## COUNCIL APPOINTS NEW MARSHAL AND POLICEMAN

At a special meeting of the Newcastle Town Council Thursday night two new police officers were appointed; a fixed valuation for the D.&J. Ritchie & Co. agreed upon and the finance committee authorized to employ a default tax collector. Practically the entire session was given over to the discussion of police matters and by a vote of 6 to 1 S.C. Hopkins of St. John was appointed Town Marshal and Thomas Hill Redbank night patrolman replacing John Ashford and Edward Walsh, Newcastle. A petition from D. and J. Ritchie Co. Ltd for a fixed assessment of \$20,000 was presented and referred to committee of the whole which recommended "on representation of D. and J. Ritchie Co. Ltd. that they intend to enlarge their business; introduce new features and give more employment; this council considers it advisable to fix the valuation of the D. and J. Ritchie Co. Ltd for real estate, personal property and income at \$45,000 for a period of fifteen years from the date of their new installations." The finance committee was authorized to employ a collector at a commission not to exceed ten per cent.

S.C. Hopkins was on the St. John police force during the time of Chief Simpson. Starting as patrolman he later became deskman at the Central Police Station and was in charge of finer printing. After leaving the force about the time of Commissioner Thornton coming to office. Mr. Hopkins joined the C.P.R. constabulary later he was a liquor inspector under Rev. W.R. Wilson before taking up farming on the St. John river. He is an Englishman.
