No Telegraphic Report from Quobe to boilight, on account of the electricity in the atmosphere.

CREEPING PLANTS or CELON.—At Topari the creeping plants are as beautiful as they are various. They cover the stems of the about noon on yeaterday, a man dressed in a brown frock cost, white hat and fustian partial cone, name unknown, was discovered murdered in the most brutal manner, about two miles from. Brockville, in the direction of Smith Falls. The horrible deed was perpetuated with a heavy stake, there being a large wound on the forehead, and another one the neck and chin. He was found in a wood, into which the people in the meighborhood says they saw two men enter yeas terday morning, and one of the a returned shirtly after, who is supposed to be one slimpson, recently liberated from the Pennentuary. The murdered man has not been recognized, and now lies in the yard attacked to our county jail. Simpson was seen to pass through Brockville yeaterday about 12 of clock, about three of clock intelligence was received; if the morder. His description is said to correspond with that given by the persons in the neighborhood of the murder. Tayre is a ramour affairs by the persons in the neighborhood of the murder. DEATHS BY RAILROAD.

The railroad slaughter in the United States may be contrasted with that of England, mentioned thus in The London Times
The public will learn with considerable iube published Semi-weekly. In politics it is liberal. We wish it every success. terest that the general account of railway. accidents has been made up to the close of last year, so that the actual state of thus. on can now be ascertained. The results are before us in a "return of the number and nature of the accidents, and the injuries to life and limb, which have occurred on all the railways in Great Britain and Ireland, from the 1st July to the 31st December, 1852, together with the number of passengers conveyed during that period."
Our first brief announcement of the fact FIRE AT BRANTFORD.

Brantford, Jine 6.—At 3 o'clock this afternoon, a fire broke out in Mr. as aforesaid, there were killed upon the

Dods, upholsterer's, shop. The wind being very high at the time, fears were entertained for the whole of Colborne Street.

The following is a list of the principal buildings which were destroyed:—Dod's Upholsterer Shop; Jame's Hotel; Young's Hotel; Hunt's Grucery; Valentine's Shop Store; Weirham's B kerv and confectionery of Score cost the British for his source of Secret Charles Napier the command of Secret cost. Store: Weirham's B. kerv and confectionery of Scinde, cost the British force but some Store: Rubinson's Greecy; Tripp's Hotel; 300 wounded and 60 or 70 killed. The Strowbridge & Botham's Tailor Shop, in- total number of sufferers shown in the return juring their store materially, also goods is 520 for the 6 months, which, if the rate contained therein. The Methodist Chapel is maintained, would give upwards of a was also entirely consumed. About 20 thousand casualties for a single year. We shall presently offer some explenations which will materially modify these conclusions, but the result will still deserve very

QUEBEC, June 4th. serious reflections.

To commence with the most alarming tion to go into Committee on Mr. Richard's item-that of the 133 violent deaths-we can soon reduce this sum to figures far less opplementary School Bill.

Mr. Brown moved, that it be an incurred to trespassers, being neither passenpower to make provision in the Bill for the repeal of such clauses of the School Acts of Upper Canada now in force, as authorise the establishment or continuance of separate schools, and for the removal from the supplementary bill all recognition of any portion of the community in a sectarian capacity.

Mr. Christie, of Wentworth, moved in the community of the supplementary by the community in a sectarian capacity. Mr. Christie, of Wentworth, moved in nearly two-thirds of the amount accounted emendment that the words, "and also to for without any censure attaching to the niake provision that in management of any companies, or any risk shown to accrue to traffic generally. Thirdly, we find 12 pascommon school which derives any portion sengers killed by no fault—as the report of its support from the funds of the Pro- assures us—but their own. Forty deaths

School," be added at the end thereof. railway accidents, in the usual sense of the chool," be added at the end thereof.

The division on Mr. Brown's amendment

The division on Mr. Brown's amendment

On the other hand, if we turn to the list

The deceased was a native of Kilwinning, of the wounded, we discover in the very The division on Mr. Christie's-Yeas, first item that no fewer than 316 passengers are admitted to have been injured Mr. Richard's bill was then passed without any fault on their own parts, and from cases confessedly beyond their control.

This number, for a period of six months on-

THE CHINESE REBELLION .- The This morning Mr. Brown said that as Friend of China urges that it is for the interest of the European powers to come news had been received that the Royal sanc- to the rescue of the Emperor. It is urged that were the present dynasty subver.ed, and a state of anarchy to ensue, the present which he had given notice with a view of settling the question this session. Mr. Drummond said it is entirely out of the question.

Mr. Brown said he would move his resolutions on Monday.

The sale of public bighways Bill was read a second time and referred.

The Bill to repest provisions respecting the destruction of wild animals in C. W., ion had been given to the Clergy Reserves that were the present dynasty subversed the destruction of wild animals in C. W., was read a second time. Mr. Dixon's Bill to enable cities and towns to elect their Mayors, was ordered to be read a second time this day six months.

Gettornement of the regaing emperor, now-ever, is now the avowed object. He belongs to the Mantchoo Tartan dynasty which subdued the Chinese two hundred years ago, and held the throne ever since. Some pretender—who or what he is does Monday, June 6th and he is to be made king, not emperor, in
