Ayer's Hair Vigor

For restoring Gray Hair to its natural Vitality and Color. A dressing

which is at once a g r e e a b l e, healthy, and ef-fectual for pre-serving the hair. Faded or gray hair is soon restored to its restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free

consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfime.

This Sarsaparilla is a combination of vegetable alteratives — Stillingia, Mandrake, Yellow Dock — with the lodides of Potassium and Irop, and is the most efficacious medicine yet known for the diseases it is intended to cure. Its ingredients are so skilfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease. The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness. of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Saraparilla over every other alterative nedicine. So generally is its superiority to any other medicine known, that re need do no more than to assure the ublic that the best qualities it has ever ossessed are strictly maintained.
