OBITUARY.

A Popular Young Lady Passes Away.
In Her 19th Year.

The little settlement of Haystack, P.E.I., was plunged in mourning on Tuesday, Feb. 15th, when Miss Letta Wareham, one of its most popular young ladies, passed from life, with all its bright prospects, to the silent tomb. Miss Wareham was in her 19th year, and her bright, pleasant disposition coupled with her great interest in the work of her Master at Sunday School and in Church advancement had won for her the love and esteem of all with whom she came in contact. Miss Wareham had enjoyed good health up to September last, when she was attacked by hemorrhage of the lungs. Her family became anxious about her, and had the best medical skill possible, even taking her to St. John's to consult a specialist who visited there in December. She had other attacks of the trouble, gradually weakening until the end came on the 15th. Miss Wareham was the youngest sister of Mrs. W. A. McKay, of Harbor Grace, with whom she spent some four weeks last summer, making many friends who will regret to hear of her early death. She leaves besides a mother and father, three brothers and two sisters to mourn their loss, with all of whom much sympathy is felt amongst a wide circle of friends and acquaintances.

Although so young Miss W. was quite satisfied to leave this world for the realms of bliss. She expressed the gratification it was to her to know that she was going to be with the Master she had loved and worked for. No regrets were expressed by her, which is indeed a consolation to the sorrowing relatives. The funeral took place on Friday, 18th inst., in the C. of E. Cemetery. Now by faith we leave her there in that Mansion grand and fair, Where we hope free from earth's care To abide; But we must to Christ belong. And on earth must learn the song, Pre our voices join the throng By her side.

VERY ILL.—We regret to hear that Mrs. Smith, wife of Rev. Canon Smith, is very ill and not expected to recover, having been suffering for months of an incurable disease.

Family Physician Said Incurable
She was cured completely by Dr. Hamilton's Pills.

A Terrible Experience with Indigestion.

Another example of the marvelous merit of Dr. Hamilton's Pills comes from Kingston where Mrs. E. V. Holton was snatched from the grave and restored to sound health by this wonderful medicine.

"Three weeks ago I was taken suddenly ill. My head throbbed and ached and I became so dizzy that I had to go to bed. There was a terrible feeling of weight and fullness in my left side and all the region of my stomach and liver was sore even to touch. I was in a terrible state—had no appetite, in fact I was afraid to eat because of the suffering I had to endure after meals. I got so bilious and had such pains across my eyes that I could scarcely see. My doctor said I had incurable indigestion.

"As a last hope I used Dr. Hamilton's Pills. I saw clearly they were doing me good and continued the treatment. My appetite and strength gradually returned—my color improved and day by day the stomach and liver derangements were less troublesome. All symptoms of biliousness and indigestion have now passed away. I am cured by Dr. Hamilton's Pills."

The same medicine that so wonderfully cured Mrs. Holton will cure any one else of biliousness, constipation, indigestion, headache, poor color and stomach trouble. Get Dr. Hamilton's Pills to-day—refuse any substitute. 25c. per box, or five boxes for \$1.00. By mail from The Catarthozone Company, Kingston, Ont.

DALAI LAMA DEPOSED.

Special to Evening Telegram. PEKIN, Feb. 25.—The Chinese Government has deposed Dalai Lama as head of the Tibet Government, and in an official statement issued to-day explaining its action on the ground that the nominal ruler has deserted the capital after an attempt by him to organize a general revolt. The official statement follows the Dalai Lama upon his arrival at Lhasa from Pekin, circulated with the object of organizing a general revolt these rumors:—First, that China intended to exterminate Lamaism; and second, that British trade was injuring Tibet. The Dalai Lama then took measures to thwart this trade, whereupon China became alarmed and ordered two thousand troops to go to Lhasa with the object of preserving peace and affording protection. The Pekin Government ordered Chinese residents to reason with the Dalai Lama, who refused to listen, and on the 12th secretly left Lhasa with his followers. The residents searched ineffectually, whereupon China deposed the Dalai Lama, ordered the Tibetans to elect his successor, issued a decree offering the protection of Lamaism, and the strict observance of the existing treaties with foreign powers.

COLDS Quickly Cured

Everybody has a cold. Some resort to tablets and powders that contain dangerous drugs, and death from heart-depressing remedies is not infrequent.

It's poor policy to neglect a cold—especially when it can be cured so quickly without medicine.

You can send the soothing vapor of the pine woods, the richest balsams and healing essences, right to the cause of your cold by inhaling Catarthozone.

Little drops of wonderful curative power are distributed through the whole breathing apparatus in two seconds.

Like a miracle, that's how Catarthozone works in bronchitis, catarrh, colds, and irritable throat. You simply breathe its oily, fragrant vapor, and every trace of congestion and disease flees as before fire.

Catarthozone Cures

No trace of the disease remains after Catarthozone is used—no more matter to clog up the nose and cause you to cough and spit—no more headache and buzzing ears.

Cure is absolute. Because Catarthozone contains such healing balsams and soothing antiseptics it can't help curing every kind of catarrh, throat, lung, and bronchial trouble.

Don't experiment longer—Catarthozone means sure cure. Two months treatment (guaranteed), price \$1.90; smaller size, 50c., at all dealers, or the Catarthozone Company, Kingston, Ont.

Here and There.

EVANGELISTIC SERVICE. Quite a large congregation attended the united service at Gower St. Church last night, and there was much in the meeting to encourage and cheer. The Rev. F. R. Matthews was in charge, and was assisted by the pastors of the other churches. The speaker of the evening was the Rev. J. K. Curtis, and his words were delivered with much zeal and earnestness, and were closely listened to. Mr. Curtis spoke for thirty minutes, and made some very very emphatic and timely statements. The meeting was one of the largest of all held during the week, and the fact of the people remaining so late is certainly a proof that they are deeply interested in the work. The music last night was very inspiring, and was a marked feature in that part of the service.

I. O. F. The most enthusiastic meeting of Foresters ever held in this city took place last night, when Court Avalon, 1955, met for the election of officers for the ensuing year. The veteran Supreme Chief Ranger, F. J. O'Neill, presided and conducted the proceedings in a most acceptable manner. The reports of the Financial Secretary and Treasurer showed the Court to be in a most prosperous condition financially, and were unanimously adopted. The usual routine business having been gone through the nomination of officers for the ensuing year took place and resulted as follows:—C. D. J. Mullaly, Court Physician—W. T. Scully; I. P. C. R.—M. W. Myrick; C. R.—P. J. O'Neill; V. C. R.—P. J. Fortune; F. S.—W. Trelligan; R. S.—J. J. Mullaly; Treas.—T. J. Nash; Orator—W. F. Lawlor; Supt. Juvenile Courts—T. J. Redmond; S. W.—W. Billingsby; J. W.—M. F. Walsh; S. B.—P. McCaffrey.

The reports referred to above showed that the Court carries an amount of \$50,000 insurance by the members.

Must Call a Hak To Pneumonia

Every cold must be taken seriously and cured by Dr. Chase's Syrup of Linseed and Turpentine.

While consumptives are being taken care of and tuberculosis is being conquered who is going to fight pneumonia which seems each year to claim more and more victims.

While the doctors are experimenting with cures why not do all we can to prevent this dreadful ailment by taking every cold seriously and using Dr. Chase's Syrup of Linseed and Turpentine to allay inflammation of the bronchial tubes, to aid expectoration and to keep the cough free and loose.

This great medicine has a soothing and far-reaching action, which is no obtained from ordinary cough medicines, and this is why three bottles of it are sold for one of any similar treatment.

Mrs. P. Dwyer, Chesterville, Ont., writes: "My little girl had bronchitis and I thought she was going to leave this world, as her case resisted the doctor's treatment. After the first two doses of Dr. Chase's Syrup of Linseed and Turpentine she was able to get better and we are thankful to say is now well again after several weeks' sickness." 25 cts. a bottle, at all dealers, or Edmondson, Bates & Co., Toronto.
