

Make your Motoring season an enjoyable one by owning the Car that all other motorists look upon with envy—the Buick Six is the most envied car in St. John's.

The Buick is always ready to take you anywhere you desire to go—it never falters.

When you press the starting pedal of the Buick, you are assured immediate response—the Delco starter is always on the job to turn over your engine every time you require it.

Buick Cars are luxuriously equipped, and upholstered in genuine black leather—no imitation. Strength of construction is an inherent quality of all Buicks. With the new Sixty Horsepower Valve in Head engine sixty miles an hour is easily accomplished, besides hills are made short work of.

A new and valuable feature is the entirely enclosed valves and engine, thus keeping out all grit and dust and giving longer life to the car, consequently the Engine is noiseless.

We shall be happy to let you look over our 1919 Buick Six which recently arrived—you will be convinced why it is the most envied car once you have examined it.

This combination makes a splendid cushion for the foot and brings great relief to tender feet besides keeping the foot warm and dry.
