Harbor Grace Notes.

Miss Violet Pugh, of the Cable Staff Heart's Content, is spending her holidays in town with her parents and other friends.

Miss B. Pike, of St. John's, having spent a very enjoyable two weeks visit, the guest of her grandmother Mrs. E. Simmons, left town again for the city by yesterday afternoon's train.

Mr. George Bemister, formerly of the Bank of Nova Scotia here, but now of the Bank of Nova Scotia Western Bay, came in by yesterday afternoon's train on a short visit to friends in town.

Mr. William Snelgrove, son of the late James and Jane Snelgrove of Bear's Cove, arrived from Sydney a few days ago, where he has been working for a number of years. Mr. Snelgrove will be remembered in connection with the blacksmith business of the late Bernard Parsons where he worked for some time. This young man's home-coming is a sad one, as both of his parents have passed beneath the vale since he left the old home. He is residing with Mr. Andrew Kennedy and family during his stay in town. His friends welcome him back to the old spot again.

Miss Florrie Wells, daughter of Mr. and Mrs. Simon Wells, of Bristol's Hope, left by yesterday morning's train enroute for Badger's Quay, Bonavista Bay, where she proposes teaching at the C. of E. school there. This is our young friend's first start in this sphere of life, and all her old school-mates wish her "good luck" in the "school marm" business.

Mrs. Joshua French and child of the West End, left by this morning's train for Montreal to join her husband, who has been working there for some time. It is very likely they will make their home there.

Miss Minnie Noseworthy left yesterday for the city, having enjoyed her holiday in the home town immensely.

Amongst the visitors to the town this week there has been Messrs. William and Ernest Frost of Bay de Verde, Theophilus Hart of Lady Cove, Leander Drover and wife of White-way, T.B.

Master Alfred Simmons left yesterday for St. John's to resume his studies at the Methodist College there. We wish this young chap every success in the coming year's work, as well as good results of last year, which has not as yet come to hand.

Mr. Max Perry of Indian Islands, B.B., has taken upon himself the duties of Principal of the Methodist Academy here, the former teacher, Mr. G. Moore, having resigned. The school opened on Monday week last. We wish this young man much success.

Mr. Bert Spry left town this morning for Alexander Bay to go to work there.

At the present time, business seems to be at a standstill; there seems to be very little doing in any line; one Boot and Shoe factory having closed down for some time, and the other running on half time. We trust as the fall advances and the returns from the fishery come along, things will be looking a bit brighter.

Today is the last of our summer holidays, and a very poor one it is for those who planned on picnicking. CORRESPONDENT. Hr. Grace, Sept. 15, 1920.
