premier intimated that many all your political conduct. You were things may be said that are not crooked from the start. Your Speech whiles may be said that are not crooked from the start. Your Speech red upon in the Speech From the From the Throne is crooked. You a which is only a formality and have brought this on yourself. I did a which is only outline in a not intend to speak, but when you realway the policy of the Govern- peat the dirty insinuation about the t will be remembered that Bay de Verde election petition on the ad a half years ago Sir Richard 'same lines as appear in your dirty ssued a famous Manifesto. paper, patience ceases to be a virtue. in how many of the twenty- I had nothing to do with the Cave ises made in that document petition. Sir John Crosbie's letter arried out. I did not intend to would convince you of that, but you a speech this evening, but as the did not want to be convinced. You ston has been made by the prefer to go on fooling the people. You within the Opposition, and my- tooled them at the last election, and and the last election, and a particular, are responsible for they are now experiencing the fruits the election petition against of their folly in voting for your Gov-Cave and Cramm, I deem it ernment. To-day hundreds of people aty to repudiate that charge, are walking the streets starving. I a is on a line with what has been " myself had fifty such applicants this aring in the personal organ of afternoon. In the face of this you Richard Squires for several days come to this House to continue your Let me inform him that neither tommyrot as' evidenced in this speech. at nor my colleagues have had If the people are satisfied to go on ming to do with the Bay de Verde being fooled by you, well all I can and Did he read Sir John Cros- say is 'let them be fooled.' You gave atter on the subject? If so he them orders for \$10 to \$12 worth of and know that the Opposition food between Nomination and Polling not concerned with these peti- Day and you shut down after they had B His remarks, therefore, are in- voted and gave them nothing since. net for as well as the low-down. Now I warn you that I intend to be mation in his organ, the Daily plain in dealing with you and will call which for base contemptible a spade a spade. I ask your pardon, easily understood, kept harp- Mr. Speaker, for speaking so warmly m the case as that of Catholic and using strong language, but this ys Protestant Cave. The Gov- is a case where strong words are jusment may thank M. P. Cashin for tified. I ask now, sir, that the Execuelection as long as they suc- tive Council be remodeled and that the in gulling the public with my seats in the Council be given to the My name has done service two Roman Catholic members who with in this way in the dark out- have seats in this House. In the whole but as long as I have a seat in history of Responsible Government we House I give them warning that never had such a spectacle as now will not continue the same old exists. Neither did we have the wholewhile I have a tongue to expose sale bribery that was carried on in dirty tactics. I have on my desk the recent election. My colleagues of a newspaper owned and went close on the heels of the Premmiled by Premier Squires con- ier and his men in our canvass of ing this low-down dirty attack the houses in the West End, and we which aims at putting the re- know all about their bribery in givbility of the Election petition ings out of coal, food and money. ne (Sir Michael then quoted the There was nothing like it in Whiteentitled "Kicking against the way and Bonds time. In those days it ma") In this article the sting, like, was confined to road grants The polinous reptiles, was in the tail, ticians then were archangels comblows, Cashin vs. Cave. "The pared to the Government candidates will await with interest the last election. You, Mr. Prime Minister, of the proceedings, and will are a great actor, there is nothing with still greater interest what like you and you are in a class to the Prime Minister will take to yourself. No American theatrical coma defence of and show his keen pany ever brought your equal here. nst in the political fortunes of a So you want to now couple me with deman who is his intimate friend Sir John Crosbie in this petition. mes." "This," he continued, "is a tion against you you would walk the Hown, cowardly statement. I plank in quick time. There was never h Sir John got value enough out such scandalous waste of money in me by the vile usage of my name in Ferryland, my old district, where lection by showing me up as the \$25,000 was thrown around by Mr. alleader of the party and a Roman Ambrose Hearn to buy up the elecmolic. As to the former it was a tors. In the face of this you have the maisshood and you know it, and impudence to pretend to be indignant to the latter I say yes, Sir, I am a about the Cave petition. Now I hope, man Catholic and I am proud of it. sir, that these few remarks will do I llook across the House and see you good for the rest of the session. you have not placed one man of I hope that you will do something at party of that demonination in once to help the fishermen to get to Executive Council although you the fishery and not have them trampwe two there to draw on, I feel sorry ing the streets with no prospects of such a condition of affairs should getting to work. The chief of the to \$6,000 people for the first "Underdogs" there, who professes so since we had Responsible Gov- much love for them, Sir W. F. Coakment. You have two there, Sir. er, has now a chance to make his It did you not appoint them to your professions good. Let me tell him the tive? You are not sincere, sir. fishermen are now crowding the m sick and tired of your hypocriti- streets and the schooners are idle Melessions. You are, sir, the and tied up to the wharves. Now what ist secritarian firebug that we ever are you going to do about it in the in this country. You can do noth- way of helping them to carry on the straight. You are crooked now in Fishery? ty and power, he is passed over for a man of lesser experience and attain-THE ments. Yet the explanation of his WORLD'S PRESS. failure is not difficult; he lacks the common touch. A very "superior person" dwelling upon Olympian heights the democracy sees him as a dilettante in politics, as a powdered ERMANY'S PAPER STILTS.
