

it will be from ourselves, when we shall all be able to have a hearty laugh at it." "I hope so, too," responded Jim. "But you don't look for any great danger here do you, sir?" "I don't know," answered Philip. "But it is clear that Steve is anxious, and when that is the case with an old experienced forester, such as he is, we are bound to believe that there is danger of some kind. Still I hope—"

Fergus Correspondence.
The examination of the senior department of Fergus Public Schools was held on Friday last, quite a number of visitors were present. The examination passed off well, reflecting great credit both on teacher and pupils. The answers given especially in Arithmetic and Grammar, were excellent. At the close of the examination a beautiful writing desk was presented to the teacher, Mr. McLachlin, by the pupils, accompanied with an address to which a very suitable reply was made.

Great preparations are being made here to celebrate Dominion Day; no doubt the usual games and sports which characterize such days will be participated in. The Fergus Brass Band has been re-organized under the superintendence of Mr. Dass, and it is to be hoped that the monotony of the long summer evenings will be somewhat relieved by the presence of such an institution in our town. A pond has been opened in Fergus, much to the satisfaction of a great many; horses, pigs, etc. are disappearing rapidly from off the commons and streets.

Part of Mr. Wilson's dam was carried away last Saturday night by the flood, which was occasioned by the heavy fall of rain that has taken place somewhere in the vicinity of the source of the Grand river. The weather still continues to be very dry and sultry and if we don't have rain in a very short time the crops, especially the hay crop, will suffer severely. Fergus, June 17, 1873.

Coal has been discovered near Riding Mountain in Manitoba. **BREAKFAST—EPPS'S COCOA.**—GRATEFUL AND COMFORTING. "By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills."—Civil Service Gazette. Made simply with Boiling Water or Milk. Each packet is labelled—"James Epps & Co., Homoeopathic Chemists, London."

CAUTION TO PURCHASERS OF THE PERUVIAN SYRUP. A protected solution of the protoxide of iron. Beware of being deceived by any of the preparations of Peruvian Bark, or Bark and Iron, which may be offered to you. Every bottle of genuine has Peruvian Syrup (not Peruvian Bark) blown in the glass. Examine the bottle before purchasing.

PHOSPHOROUS, Lime, Iron, Calisaya or Peruvian Bark Dr. Wheeler's Compound Blixir of Phosphates and Calisaya combines the valuable remedies in the form of a delicious cordial. Phosphorous, a brain food; Lime, an excitant of nutrition; Iron, a blood maker; and Calisaya or Peruvian Bark, the only specific for chills and fevers, in all conditions of nervous prostration and general debility. Phosphates are the only agents known that act immediately on the stomach, perfecting the digestion and assimilation of food, and determining the formation of pure blood. No combination ever discovered is so remarkable in building up constitutions run down with old complaints that have heretofore resisted all ordinary methods of treatment. Sold by all druggists.

Iron in the Blood
PERUVIAN SYRUP
MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damage, and waste, searching out and expelling secretions, and leaving nothing for disease to feed upon.

This is the secret of its wonderful success in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
