## WALKER & LOVE.

### The Meaning Of It.

A trade mark is a protection to the honest—a menace to the dishonest manufacturer.

While a purchaser must depend more or less on his own judgment, a trade mark on the goods confirms that judgment and keeps him in the right path.

Imitation is the invader of almost every business today, but no other shoe manufacturer can use the Slater shoe trade mark with which every "Slater Shoe" is branded.

Every pair Goodyear Welted, the same as hand made but the work is perfectly uniform.

Price \$5.00 or \$3.50.

### Wall Paper Talk...

Every person who has seen our Wall Paper samples says that we have the best values in Aylmer. That means that we are selling prettier papers for 5c than other dealers, that we show prettier papers for 8c than others, that our 12 1/2c papers are superior, that our 25 and 30c American and Canadian papers are ahead of others in quality, style and beauty. Experience—the only teacher—has taught us what to buy, where to buy and how to buy. We know that some colors will stand well. We know that some colors will not stand well. We know that So and So's make of papers have always given the best of satisfaction and that So and So's make of papers are poor. We know that such a paper will make a beautiful and fashionable dining room and that another will be most suitable for a bedroom and that another is the most fashionable color for parlors and drawing rooms. We study wall paper fashions, wall paper quality and wall paper buying. If you ask for our advice when you are buying we will be pleased to help you select. And then we have an assortment to boast of. Our stock is nearly as large as all the other stock in East Elgin put together. We have more paper stored away in our cellar and store room than the average dealer buys. So, if you come to us to buy you will not be confined to a small range to choose from and you will have our help and advice if you ask for it, and whether you ask for it or not you will receive the benefit of our five years of experience in buying and selling wall papers.

### Additional Locals.

Mr. E. Purdy spent Sunday last in town with his parents.

Miss Ada Cudleigh, of St. Thomas, is visiting Miss Eliza Davenport at present.

Mr. John Wilkinson, of London, will open out a cigar and tobacco store next week, in the building recently occupied by Mr. E. L. Brown.

Mr. W. L. Titus has secured a good situation with the leading clothing establishment in Calgary N. W. T. and left for that place a couple of weeks ago.

A large number of the many friends of Mr. and Mrs. Chas. Knox gave them a pleasant surprise on Tuesday evening last, and expressed their regret at their removal to Wallaceburg.

Mr. and Mrs. Matthew Connor and their son, Carl, will leave for England in the course of a week or two, Mr. Connor having business there which will necessitate an absence of some months.

Mr. M. E. Lyon has started work on the changes which he will make in the house he recently purchased on John St. South, and when completed it will make one of the best houses in town.

Ever since we have been in the newspaper business, we have been receiving periodical visits from Mr. John A. Macdonald, who represented the Canada Paper Co., and we must confess to a strong feeling of regret, when we received a notice a few days ago, that these pleasant business connections were drawn to a close, owing to his having accepted a position as special agent for the Imperial Life Assurance Co. Mac is a good fellow. During our business intercourse, we have never known him to resort to any trickery, or to do anything unbecoming an honorable gentleman, but he always got an order. Here's to you Mac, old boy. May you live to be a hundred, or so, so long as you do not tackle us to take out another insurance policy, as about the only way we could resist, would be to shoot you on the spot. It is of course, an awful 'come down' for a man, to drop so suddenly from associations with the newspaper men, to that of insurance men, but Mac has a good strong constitution, and will probably survive the shock, if for no other purpose than to continue drawing the good fat salary, which he no doubt receives, and will earn.

Wm. McConnell is at home from Chicago.

Mrs. (Dr.) Stewart Timpany, of India, and Mr. Macanney, of Toronto were guests at Albert Cohoon's last week.

Mrs. Wilson, Vienna, has been spending a few weeks with her daughter, Mrs. E. Prichard.

Miss L. Oke, St. Thomas, is the guest of Miss Nina Chute.

#### CALTON.

This whole community was much shocked when the said news reached here of the sudden demise of Elder George Mason. The deceased first made his adventure into this neighborhood about twenty-five years ago, when he assumed the pastorate of the Baptist church at Calton, and by his kindness and consideration for all whether in the pale of the church or not, and his zeal for the Master's cause, made him honored and beloved by all who had the fortune to know him. Although we cannot but feel a pang of grief for the departed we also feel great joy to know that he has gone to be with Jesus, which is far better.

The report has just reached us that Mrs. Wm. Hite is very low and not expected to recover.

The many friends of McEay Vanveller will be sorry to hear that he is not much improved since his trip to
