or us," fondly. "Did he say that? charm. I only wish" leaning her arms ward for-me. I like that. It somehow assures me he is not going to peach," says Griselda thoughtfully. "For even such small mercies, let us be thankful." that Tom Peyton was half as good looking."

CHAPTER XIV.

Of all evils to the generous, shame is the most deadly pang.

"Oh, nothing," airily, "nothing. Nothing at all. That's just it, you July reigns, vice June dethroned, but still the roses hold full sway. In that small inner garden in which Gregory Dysart takes all the walks abroad by Dysart takes all the walks abroad he ever does, and the love for the dowers in which is the one sole humanising element about him, the queen of blossoms uprears her head in stately beauty though in every corner fallen.

Dy all this it will be seen that beauty, though in every corner fallen petals may be seen, here, there, every- Griselda's wanderings through the where, making a carpet on the tender scented woods have not been intergreen swards, heralds, alas! of a sure-dicted, for the simple reason that Mr.

oming death.

Seaton Dysart has come and gone Mrs. Grunch, who once had seemed many a time, to and from Greycourt, keenly desirous of dragging the culand by degrees a little of the con-straint that had characterized his early visits has worn away. He has sences, by which Griselda fondly so far advanced as to be almost erroneously argued that she had foron friendly terms with Griselda. between him and Vera, that ever, she was to be undeceived. first dark veil of distrust still hangs heavily, distrust that, on Vera's side, looked for by the girls at about seven has taken a blacker hue and merged o'clock in the evening-just an hour itself into dislike. In vain does Gris- or so before dinner-gave them plenty elda rally her about it, in vain seek of time to prepare for his coming. Any her into another-a lighter day on which he was expected, Mrs -frame of mind, Vera, although taking | Grunch brought a formal message to herself to task, and condemning herself for want of charity hitherto unknown in her gentle bosom, still shrinks from any advance on his part with so cold a determination that some times, with a bitter word or two, Dyswears to himself to abstain from further attempt to break down the barrier that stands between them. Yet, ever and always he has come back again to try once more-to seek for kindly word or gentle smile, such he sees her lavish on Griselda, to which even a melancholy little kitten that has attached itself to her is no stranger. He has let it be clear to her in various ways that he is willing not only to forgive but to forget that inopportune remark of hers, the memory of which is difficult of banishmen but with a resolution that puzzles even herself, and belies the really

strange touch of obduracy, she puts

him from her, and will none of nim.

Last Chance Was Gone When Londoners Lost to St. Marys -Senior City League.

INTERMEDIATE CHAMPIONSHIP IS

O. H. A. championship has faded. Eviletting but a meager smile part her beautiful lips when occasion calls for laughter, remaining stonily silent in his presence, unless directly called upon for speech.

One can see how Dysart chafes beneath all this. But perhaps what troubles him most of all is the suspicion of nervousness her manner mainter.

In the same trick again on the nome rink, for very seldom during the game did they appear to consider that they had a hard proposition before them. The game was a much better exhibition of hockey from a spectator's standpoint than was the London-Watford match of last Friday evening. The referee, Mr. Gifford, of Stratford, was priced to do the same trick again on the nome rink, for very seldom during the game did they appear to consider that they had a hard proposition before them. The game was a much better exhibition of hockey from a spectator's standpoint than was the London-Watford match of last Friday evening. The referee, Mr. Gifford, of Stratford, was proposition before them. troubles him most of all is the suspicion of nervousness her manner holds when with him—a fear—a looking for something that will be for her hurt, and that will surely emanate from him. Good heavens! he to hurt her. After a little while he acknowledges himself beaten, and a terrible sadness mingled with a righteous anger grows warm within his breast. "You are treating him shamefully!" cries Griselda one day. "What has he the ice and scored the last goal of the game. Taylor's work in goal was a She speaks with quite a little rush of little off color, having allowed a couple of easy shots to go through, and made efforts to stop some which stood no chance whatever of going in, thereby "Nothing. I confess that. It is what endangering his goal. Taylor's en-thusiasm leads him to leave his goal unguarded at times. James took O'Malley's place at point, and put in some effective work. Thomson, at cover, Billy Woolley's light weight is a disadvantage to him, as at both the games with St. Marys he was roughly handled,
