Mr. Burdick-We can't make the mr. Burdick—we can't make the road pay, but we have the right to cut down expenses.

Mr. Richards—I've gone into the schedule and if we don't want to lose the mail and express, I can only cut off one man. If any outsider can advise me I'll be glad to have his

Burdick-I'm not attacking he manager of the road, but surely

Mr. Burdick then proceeded to continue his plans for still further cutting down expenses. He wanted to know why three employees were necessary at Port Stanley station all winter.

"We pay two men and the express company pays the other," replied Mr. Richards.

"Well, that's all right then. Now

the roadmaster and trainmaster for the winter months?" asked Mr. Burdick. "There are too many bosses on the road. We are asking the city for money every year and we can't keep that up for ever. We've got to hand the road back to the city, that's

Scheme Not Feasible.

Mr. Richards declared that Mr. Burdick's scheme was nat feasible. This matter too was left over for the special meeting.

"There are two policemen on the good Is it companies to be a best book as the second of th

road. Is it compulsory to keep both of them?" demanded Mr. Burdick. "They are good men, I know that, but we have got to cut expenses.

"We are going to lay off one man,"

replied the manager.

The commissioner then wanted to know if it was necessary to keep three men at the Richmond street

three men acticket office.

"We can't cut off any more," declared the manager. "The M. C. R.

clared the manager. "The M. C. R. pays half the cost."

Mr. Burdick then wanted to know why the road's employees could not cut off the water at Port Stanley and cut off the water at Port Stanley and save the expense of a plumber. Mr. Richards declared that he didn't have men with plumbing experience.

There were other things that he would like to bring before the commission, but he would save them for the experied meeting. Mr. Burdick said mission, but he would save them the special meeting, Mr. Burdick said.

Referring to the special meeting, the mayor said he would like to have a report on the valuation of the road and the prospects of future earn-

ings.

"There has been a good deal of misrepresentation about it," said Mr. Moore, gazing at the mayor.

"Can't be any misunderstanding about facts," shot back the mayor.

"Oh, yes there can," replied Mr. Moore. "It has been stated there is an overdraft and there is no such thing."

Mr. Moore went on to state his belief that passenger traffic wolld pick up with better times. The mayor did not agree, stating that he had reports of traction lines all over the States that were being torn up.
