# SHIELD OFFERED FOR CADET CORPS

Laura Secord Rifle Competition To Be Held on Indoor City Range.

## INSTRUCTIONS ISSUED

School Entries To Be In Before November 30, Says Col. Gillespie.

Cadet instructors of city corps have just received from Lieut.-Col. George H. Gillespie, district cadet officer, full details of the Laura Secord shield competitions. There are several changes from preceding years in the rules for this marksmanship event. Entries are now being filled in and returned to the district officer. Col. Gillespie's circular to cadet units includes the following information:

Teams. To consist of five members, all of whom must be bona fide members of the cadet corps concerned.

The .22-inch cadet rifle (Ross or B. S. A.) as issued, will be used. No privately-owned rifle or attachments will be permitted.

privately-owned rine of attachments will be permitted.

The competition will be fired over an indoor range as follows:

20 yards—Five rounds rapid to be fired in 45 seconds. Prone position.

No sighting shot allowed.

20 yards—Five rounds deliberate.

Prone position. No sighting shot allowed. Entries in the junior series unlim

ited. No member will be permitted to fire more than once each year on any team. All entries, on the regular entry forms, are to be received by the district cadet officer before Nov. 30,

Any responsible person, not connected with the school or corps, may be appointed to act as range officer for the competition.

Scores To Be Kept.

Score sheets, as issued, will be made up and signed by the range ofmade up and signed by the range officer, who will forward same on completion of the shooting to the D. C. O.

The competition must be completed and targets and score sheets mailed to the D. C. O. not later than Dec. 5. Targets received after that date will not be considered.

Any school winning the trophy

three years in succession shall take permanent possession of same. The targets to be used in this competition will be sent out from this district headquarters. Marking will be by the decimal system, 1-19, as indicated on the target. Shots appropriate the system of pearing outside the outer circle are of no value. Each competitor will sign his targets on the front, and all tarcompleted on the back and signed by the range officer. All unused targets must be returned, with the completed targets, to the D. C. O. immediately on the completion of the

Additional prizes—Second and third prizes, consisting of five two-pound boxes and five one-pound boxes of Laura Secord chocolates respectively

# POPPY DAY PLANNED

Next Meeting of Workers Will Be Held on Tuesday Night.

London's Poppy Day will be held this sear on Nov. 14, one week from this Saturday, the committee in charge of the work (B. C. McCann, Harry Wray and James Gray) decided at its meeting in the chamber of commerce rooms last night. Commandant Hurt of the Saivation Army attended the meeting and advanced many ideas which it is expected will help the work.

in the sale of poppies and the attendant work, and because of this the entire city will be covered. To augment the city will be covered. To augment the were: Emerson was allable, several teams with be secured from the schools of the city. The pastors of the various congregation of the various congregations of the various congregatio lions of London will be asked to make Poppy Day in mind.

Another meeting, at which the citi-zens in general will be welcome, will son, held in the chamber of commerce next Tuesday evening.

# **DEMOCRATS VICTORIOUS** IN NEW YORK, JERSEY

Less Spectacular Municipal Contest in Boston Is Won by Republicans.

DETROIT BEATS KLAN New Jersey Squelches Anti-

Saloon League Entrant, Picks Moore.

New York, Nov. 4.-The Democrats swept to victory yesterday in the New Jersey gubernatorial race and the New York city election. In less spectacular contests the Republicans elected a mayor of Boston for the first time since 1907: won hands down in Pennsylvania state and municipal elections; regained control of the municipal nachinery in a number of Indiana cities, and apparently had elected a mayor in Louisville, Ky. In the only two congressional contests each party held its own, the Republicans retaining control of the third New Jersey district and the Democrats

remaining successful in the third Kentucky district. Virginia, the only state besides New Jersey to elect a governor, voted a straight Democratic slate into office, John M. Purcell winning out for state treasurer over John I Bassett, Republican, in a contest that attracted much more than usual attention because Purcell's affiliation with the Catholic church was brough into the campaign..

# LITHIA ORE DEPOSITS MINED NEAR WINNIPEG

Point du Bois Field One Five Known in Whole World.

Canadian Press Despatch. Winnipeg, Nov. 3 .- The story of the discovery and development of the richest field of lithia ore on the continent, and one of only four or five such fields in the world, is being told at the convention of the Canadian Institute of Mining and Metallurgy, which opened here today, F B. Evans, who crowned a fifteenyear career of prospecting by the discovery, is a delegate.

The ore is used in fireworks, photography and many medicines. Other products include potash and aluminum and several rare ores, including tantalite allied to the tungsten group and used for dental in

struments. The ore body lies at Point Du Bois, north of Winnipeg, and is being developed by British capital. It is stated that 10,000 tons of ore, valued at \$1,000,000 has been revealed up to the present by stripping six tons of ore, represent the stripping stripping. operations. Six tons of ore, representing the first shipment, left for England recently. Construction of a factory to extract the ore and other products is being planned for next

Mr. Thomas, whose headquarters are in Philadelphia, says in connection with his offer of co-operation to Mr. Brown, that he is intimately familiar with the Jewish war relief work that has been conducted since 914 by the American Jewish joint distribution committee with over 600,000,000 contributed by the Jews f this continent, and expresses his pleasure that the new campaign has been launched because, he says, "I know how badly the money is needed and how well it will be spent under the supervision of your committee. "I have been in touch with the work of the joint distribution com-mittee since 1920," says Mr. Thomas in his letter addressed to Mr. Brown at his headquarters in the Pershing square building, "and have greatly admired the way it has been handled both in the United States and in

Europe.
"Your representatives have con fined themselves to the work in hand and have not interfered with the politics of the country concerned. This has placed your work on a very high plane, and has made it more effective than it could have been if they had attempted to play politics. I consider that your work has carried with it a very definite message of good will to the people concerned. "I not only wish you all success in your campaign for additional funds, but I offer you my services if I can be of use in furthering the

campaign, in any way that my work will allow."
The \$15,000,000 which is the goal of the united Jewish campaign is to be utilized by the joint distribution committee for reconstructive and welfare work in such European countries where the Jewish populathe Jewish back-to-the-soil move ment in Russia which it has been fostering for the past two years, and through which it is expected 100,000 will have been successfully established as farmers by the end of 1927.

## CITY HUMANE SOCIETY WARMLY COMMENDED

London Organization Congratulated by Manager of Provincial Organization.

George Tustin, London humane society inspector, is the recipient of a letter from J. M. Wilson, manager vention of cruelty to animals, in which he congratulates the local soiety on their recent monthly report. At present a campaign is in progress for the appointment of a pro vincial organizer and the report the local society is to be used as an illustration of the splendid work which is going on througho reason to be proud of their loc humane society and the work which
