

# THE CITY.

From the DAILY COLONIST, June 28.

**Young People's Union.**  
At the Calvary Baptist Church, last night, new officers were elected, and Mr. H. F. Hedges read a paper on "Imperial Federation."

**New Bathing Resort.**  
Two new bathing houses are in process of erection at Foul Bay, where Mr. Calhoun proposes to open a resort. The beach is said to be of fine hard sand, and with proper facilities will, no doubt, become a popular place with those who wish to enjoy a dip in the cool surf.

**A Selection Responed.**  
The Protestant Orphan's Home site committee held another meeting yesterday afternoon, when the results of the visiting of various locations offered up to date were reported. After some discussion it was resolved to postpone final conclusions, and another meeting will be held next Monday, when a report will be prepared for submission to the general committee.

**Getting Worse and Worse.**  
Every day the Point Ellice bridge is getting shakier and shakier, and unless some action is taken very soon to have necessary repairs made there is a strong probability of an accident happening some of these days. The Tram Car company make all the passengers walk across the bridge, a useless precaution, seemingly, when the vehicles of all kinds are permitted to be driven across.

**The Call Declined.**  
Rev. J. E. Corns, of La Conner, Wash., at the invitation of La Conner, has declined the call to the Calvary Baptist church of this city. The reason given was that the work in La Conner was in such a condition as to require his full attention, and that he was unable to leave it.

**Will Go to Seattle.**  
The steamer City of Seattle has been chartered for the annual I.O.O.F. excursion, which takes place on Saturday, August 1. The steamer will leave the C.P.N. wharf at 7 a.m., and arrive in Seattle in the time of interest. The City of Seattle is a fine vessel, and every effort will be made to make the trip a most pleasant one in every respect. The fare for the round trip is put at \$1.50.

**A Bovine Tussle.**  
The Provincial Police will, this morning, investigate a charge which was yesterday laid in formal complaint, against a certain bull, the property of Mr. John Sinclair, J. P. of Colvoco Bay. The complaint is made by Mr. C. W. Piper, who is a neighbor of Mr. Sinclair, and also unwillingly of the bull. He says that the animal in question makes a practice of promiscuously attacking the public highway, and monopolizing the same. Mr. Piper intimates that he won't let it, and wouldn't hurt a fly, which, considering the season, is a complimentary almost past belief.

**To Adopt By-Laws.**  
The Thunder Hill Mining Company held a general meeting last night, for the purpose of final action on the by-laws. No other business was brought before the meeting, but in the informal discussion which followed the by-laws were adopted, and the company is in a position to ship ore, but little other work will be done.

**A New Monthly.**  
A new competitor for public patronage will make its first appearance about the 15th of next month, in the shape of a monthly magazine, devoted to the propagation of the theories and doctrines of Henry George. The new publication, it is announced, will be a strong opponent of socialism, nihilism, communism and anarchism, and the promoters hope to place it on a platform, to be able to make it a success.

**Memorial Sermon.**  
Rev. J. H. White preached a memorial sermon at the late Fred. Hunter, in the Centennial church, Sunday evening. First Corinthians, III, 11-15, was taken as the text from which was preached a most eloquent and inspiring discourse. The many qualities of the deceased were pointed out in terms of highest praise. The same characteristics which had led the departed to lay a solid foundation in temporal affairs and also led him to the spiritual foundation, The Rock of Ages. Beloved by all, his memory lives in the hearts of those who avail to join him in the better world.

**Colvoco Public School.**  
Last Friday the Colvoco Public School held final examinations, and concluded with a public programme, at which a large number of friends of the school were present. The children proved to be well prepared for the branches through which they had passed, and those who listened to the examinations were well satisfied. At the close of the programme the principal, Mr. Langford, made a few remarks, and the school was dismissed. The honor roll is as follows: Proficiency, Henry Atkins; regularity and punctuality, Hugh W. McKenzie; deportment, Henry Piaggio.

**Down from Alaska.**  
Mr. E. J. Crane, of New York, has just returned to Grimsby, after a trip to Alaska. The gentleman was full of pleasant reminiscences of the trip, being specially eloquent in praise of the scenery of that most grandly picturesque country in the world. In speaking of the mining interests, the difficulties in the way of development were reviewed, and many thoughtful suggestions were made regarding the probable mining future of this country. There are a great number of valuable deposits of mineral which are lying idle owing to the difficulty of getting capital interested in such a far-off place. But as the grand possibilities of this section are made known, and the chances of remunerative investment become more of a demonstrated fact, there is every reason to believe that the country will become one of the great mining centers of the future.

**A Small Blaze.**  
A small blaze occurred in 120 Johnson street, next to Grimsby, last night, yesterday afternoon. The engine was out, and the hose coupled on, but the Babcocks were sufficient to extinguish the fire without the aid of the water. The trouble arose from an innat of the house returning an alcohol lamp over which she was heating a curling iron. The entire damage to the

building is probably not more than \$10, while the contents of the room were but little harmed.

**Natural History Society.**  
A meeting of the B. C. Natural History Society, was to have been held last night, but owing to the meagre attendance no business was done.

**A Successful Visitor.**  
Miss S. F. Smith, daughter of Mr. M. R. Smith, of this city, who has been studying music under Mr. Torrington, at the Toronto College of Music, Toronto, for the past three years, has succeeded in winning a diploma. The Toronto College of Music is in affiliation with the University of Toronto, and the diploma is one of the highest awarded, given by it, and only a small percentage of the most successful students can claim the honor of possessing one. Miss Smith is, therefore, to be highly congratulated.

**"Only a Chinaman."**  
A butcher's cart being driven around the corner of Johnson and Store streets, yesterday afternoon, at a pace decided "faster than a walk," came into contact with a Chinaman named Ong Lung. The Celestial was not killed, but was so badly hurt as to need the doctor's care. The man who was driving the cart, a Chinaman, who gave the injuries were. It was with him "only a Chinaman," and didn't matter.

**Overboard.**  
There was an upset at the Gorge, Sunday evening, but the two gentlemen who got into the water were quickly rescued. It appears that they were getting into their boat when the little craft turned over, and the two gentlemen, who were in the boat, were thrown overboard. The boat was again on terra firma as Peter, who at once called out, in broad Scotch, "Where's George?" George responded, "Where's a Pete?" and these inquiries lasted for several minutes until the two were brought face to face, dripping wet. The only real damage done was that the starch was knocked clean out of their shirt fronts.

**"The Old Solidity."**  
Mr. Charles S. Morris, of insurance fame, has just returned from a visit to San Francisco, and has been very successful in his search for recreation and amusement. While in California he met the chief inspector of the Germania Life Association, from New York, and received information from him that the Germania, which was a business in British Columbia, Manitoba, and the Northwest Territories. Next month the agencies in Utah, Montana, Nevada and Idaho, will also be transferred to him. The Germania was organized in 1880, has a capital of \$17,000,000 and a surplus of \$2,000,000, and is known all over Europe and in the East as "the old solidity."

**Tuck vs. Victoria.**  
The case of Tuck vs. the Corporation of the City of Victoria, an action to recover salary and damages arising out of the appointment of Mr. Tuck as City Engineer and the subsequent revocation of the appointment, came up in the Supreme Court yesterday before Chief Justice Sir Matthew Baillie Begbie. Mr. Bodwell, of Bodwell & Irving, appeared for the plaintiff, and Mr. Taylor, of Eberts & Taylor, for the defendant. A number of witnesses were called and examined as to the discussion that had taken place at the council meetings when the appointment was made, and cancelled, amongst them being His Worship the Mayor, City Clerk W. J. Dowler and several aldermen. After hearing the evidence His Lordship reserved judgment.

**A Compromise Effected.**  
A meeting of the creditors of the estate of J. L. Browne, of Nanaimo, was held at the late Fred. Hunter's, on Sunday evening. The meeting was held to give the creditors an opportunity to express their views on the offer of Mr. T. B. Pearson, of this city, about three weeks ago, an offer made by Mr. Browne to settle at 50 cents on the dollar. Local creditors, present at the time, recommended that the offer be accepted, and on the matter being submitted to Eastern wholesale houses interested, their consent was obtained. At the meeting, Mr. J. G. Marshall, of Vancouver, the assessor, was instructed to accept the offer of Mr. T. B. Pearson, of this city, to purchase the estate for an amount equal to 50 per cent. of the total amount of the debts. The offer was accepted, and the settlement was entered into. Although the details of the agreement have not yet been made public, it is believed that the Canada Western give bonds to the Government that they will expend within the next three months \$10,000 in making a survey of the line to be followed on the Island and Mainland. At the end of that time, they are required to put up security for \$50,000 further expenditure within one year, as required by the Act.

**A Row on Board the Schooner.**  
A serious row occurred on board the Schooner, at Seattle, on Sunday night, in which revolvers were freely used. The matter arose from some of the deck hands, who were on board the schooner, and took a lot of strawberries. Upon hearing of this Steward Ward, who is responsible for all the supplies, up-bred some of the deck hands, and particularly one named Smith. He accused Smith of taking the fruit, and the latter retorted. Ward, thereupon, hit him over the head with a lantern. From this the fight started, and several persons participated in the row. During the encounter Ward drew a revolver and began shooting. He fired four or five shots in quick succession, and the promiscuous firing was heard, while Garvie, another deck hand, after being shot through the arm, hastily retreated to safer quarters. Coffin, the purser, endeavored to quiet Ward, but the latter refused to be quieted, and at last, when he threw his revolver overboard, but was prevented from leaving the vessel by the rest of the crew. Ward was subsequently taken into custody, and the injured man to hospital.

**Nothing Done Yet.**  
Mr. Stephen Munson, China Hat, has been in town for the past few days. He came down with a big parcel of skins, which he disposed of at high prices. Among his collection was one white otter skin, which is a decided rarity. He had also 29 bear skins, 70 marten, 24 land otter, 522 mink, 41 beaver, and three wolf skins. The parcel was not considered as large as it ought to have been, but as all the skins were of good quality, he is satisfied with the net results. When Mr. Munson was last in town, a few months ago, he had discovered what was the cause of the mysterious disappearance of Peter Starr, whose death occurred some twelve years ago. The murdered man was known to have had his possessions about \$150 at the time of his disappearance, and there were a few arrests of Indians who seemed to have money for which they could not satisfactorily account. No further evidence, however, was obtained, and they were discharged. The finding of the white man's skull again renewed the murder theory, and Mr. Munson is somewhat surprised that the authorities do not extend their inquiries in the matter. "It is," he says, "no secret among the Indians that Starr was murdered, and murdered for his money, and they give the names of several of the tribe who profess to know all about it. An year or two ago, it seemed to think that all was forgotten, and now tell freely what they so long held a

secret. That Peter Starr was murdered, there can be no doubt, nor can there be any that the skull secured is his."

**Improvements to Strawberry Vale.**  
Mr. R. S. Cavin, the contractor, with a gang of 30 or 40 men, is at work grading and graveling the streets of Strawberry Vale. The work, when completed, will be thorough and done.

**Sale of the Malacca.**  
Yesterday a sale was made of the celebrated schooner-yacht Halcyon, at Victoria. The crew made a claim of 23 parties, and owing to the double-cross play made by Whaley on his partners, it became necessary to sell the schooner. This was effected, and all claims against the craft paid off. The sale was made by E. W. McLean, the present registered owner. It is said that the purchasers will place her under the British flag. The statement that the vessel's American papers had been cancelled is untrue.

**The New Pastor.**  
Rev. Dr. Campbell preached his first sermon as pastor of the First Presbyterian Church on Sunday morning last, and his congregation are satisfied they have got in an earnest and energetic head, and an earnest and energetic head. The reverend gentleman, who had been called to the pulpit some weeks for the then pastor, the late Rev. D. Fraser, and the favorable impressions he made during that brief visit to the city, were not forgotten. The call, recently extended to him and accepted. In his morning sermon he alluded touching to the late pastor, and said that when he assumed that it was given to him, he had a great deal to say for the late pastor, and the favorable impressions he made during that brief visit to the city, were not forgotten. The call, recently extended to him and accepted. In his morning sermon he alluded touching to the late pastor, and said that when he assumed that it was given to him, he had a great deal to say for the late pastor, and the favorable impressions he made during that brief visit to the city, were not forgotten.
