

COOLER WEATHER COMING TODAY

Disappearance of Hot Wave Promised for Region that has Lately been Suffering—Many Places Relieved

RECORD OF DEATHS IS VERY LONG

Drought in Kansas Threatening Water Famine in Cities Storm Ends Hot Spell Throughout Ontario

WASHINGTON, July 5.—The hot wave is doomed. Although temperatures in some localities were above 100, and as high as 107 higher than yesterday, the torridity is about to be dissipated, according to the weather bureau experts.

Reports received from eastern and Atlantic coast states show a decided fall in temperature in the last 24 hours. Boston, which sweltered at 104 yesterday, found relief today when the thermometer rose only to 94.

General Bixby, in Charge of Operations Says Destruction Could Not Have Resulted from Outer Explosion

WASHINGTON, July 5.—The loss of the battleship Maine was caused by the explosion of her three magazines. No such effect as that produced upon the vessel could have been caused by an explosion from without.

Record Heat in Southwest Kansas City, July 5.—New hot weather marks for the year were established in the southwest today, but tonight promise of a thunder shower is given by the local weather bureau.

Right-of-way clearing on the Canadian Northern Pacific has advanced so rapidly during the past few weeks, that the graders will be able to get busy at several points between Sooke Lake and the city, and at the former point, during the present week.

SPOKANE WRECK

Passengers at Inquiry Give Contradictory Evidence as to Conduct of Officers and Crew

SEATTLE, July 5.—T. J. Richardson of Pacific Grove, Cal., and F. M. Hicks of Chicago, testified before the U. S. steamboat inspectors today that they heard the officers of the wrecked steamer Spokane issue orders to the crew to lower the boat after the fire.

SIR WILLIAM WHYTE

Rumors of His Leaving Canadian Pacific Service and Going to London Are Denied

WINNIPEG, July 5.—Intimate friends of Sir William Whyte state that he has no intention of resigning from the C. P. R. service, and they believe he will remain in charge of western lines for the next five years.

General Bixby, in Charge of Operations Says Destruction Could Not Have Resulted from Outer Explosion
