POPULAR COUPLES

ARE MARRIED

Two Weddings of More Than Local Interest Took Place This Week.

GILLIS-McLENNAN

A very pretty wedding of more than local interest took place at St. Andrew's Presbyterian Church yesterday afternoon at 5 o'clock when Miss Margaret Euphemia McLennan, daughter of Mr. and Mrs. Alex McLennan of this town was united in marriage to Mr. John Gillis, only son of Mrs. John R. Gillis of St. John, N. B. The ceremony took place under a beautiful floral arch in the presence of a large gathering of friends of the bride and groom. The bride wore a gown of white tulle with a high collar and long sleeves, and carried a bouquet of white flowers. The groom wore a suit of dark cloth with a white shirt and bow tie. The ceremony was performed by Rev. Hugh Miller, officiating. The bride was given in marriage by her father, and the couple were then escorted to the altar by the groom. The wedding party consisted of the bride, groom, bridesmaids, and groomsmen. The reception was held at the home of the bride's parents, where a large number of guests were present. The wedding was a most successful and happy occasion.

PRESENTATION TO

MR. AND MRS. KING

Pleasant Affair on Manse Grounds at Point a la Garde Last Week.

At the close of a very enjoyable evening spent on the manse grounds at Point a la Garde on Aug. 30th. The members of the Ecumenical congregation presented Rev. Mr. and Mrs. L. J. King with a purse and the following address:

To the Rev. L. J. King B. A.—
As you are soon to sever your connection with this congregation as its minister the members and adherents thereof desire to express their sincere appreciation of your work among us. Your pulpit ministrations have been most acceptable and helpful; your visits to our homes in sickness and health have been ever welcome and will long be remembered; your unfailing interest in the young people has favorably impressed them with the supreme value of those great and eternal truths which you have declared and lived before them, and has resulted in some of them accepting them in a public profession of their faith as the rule of their life; your loyalty to the aged has made their last days days of hope and confidence and the end peace.

In Mrs. King you have a helmsman indeed, and we have known a good and noble woman whose sterling qualities of head and heart have endeared her to us as a true friend, interested in missionary and other activities of the women of the congregation, a trusted counsellor, a personal friend esteemed and beloved by all.

While deeply regretting the severance of the pastoral tie, we greatly rejoice that in your new sphere of labor as Inspector of Schools for the Counties of Bonaventure, Gaspé and Matane we will have frequent opportunity of meeting with you and sharing the benefits of your wise counsel. We trust that you may see fit to make your home in this part of the province and that we may have the privilege of welcoming you to our homes.

Please accept this purse as a small token of our love and respect.

Signed on behalf of the congregation: Mrs. Jas. Henderson, Mrs. D. Glover, Mrs. Thos. Young. Although taken completely by surprise, Mr. King responded in a very touching manner and expressed the appreciation of himself and Mrs. King for the thought that prompted the gift.

ENJOYABLE TRIPS.

A party consisting of Messrs. F. R. Kenner, R. D. Warman and B. J. Christopher and Misses Ethel and Arria Douglas and Kate Johnson motored to Bathurst on Sunday. On their return trip the gas tank went dry at Dalhousie Jet, but this was replenished without difficulty and the party completed the journey home without further mishaps to mar the enjoyable outing.

WILL MEET HERE.

Upon special invitation the Union of New Brunswick Municipalities will be held at Campbellton next year. During the closing hours of the meeting at Edmundston the executive was added to and Coun. A. C. Belle-Isle was added.

known here, being a promising young physician. Dr. and Mrs. Dymont left on the Ocean Limited on a honeymoon trip to Quebec, Montreal and Toronto and their return trip will reside in Campbellton.

WYERS-FARRAR.

A very pretty wedding took place at the home of Mr. David Ferguson, Flat Lands, Restigouche County, on the afternoon of Wednesday, Sept. 6th, when Rev. Wellington Camp, B.D. of Campbellton united in marriage Mr. Harvey James Wiers of Wyers Brook, Rest. Co., and Miss Marion Christine Farrar of Kedgewick, N. B. The bride who was given in marriage by her brother, was becomingly gowned in white tulle lace over satin with the usual veil and wreath and carried a bouquet of carnations and roses. She was attended by her sister Miss Emily Farrar, who wore peach organdie with black panne velvet hat. The groom was supported by Mr. Thos. W. Clark of Campbellton. After receiving congratulations a beautiful lunch was served. The happy couple left in the evening for their honeymoon.

CONCILIATION

BOARD REPORT

Majority and Minority Reports Filed—Decreases of Pay Recommended.

Ottawa, Sept. 5.—The majority report of the board of conciliation investigating the differences between the Canadian National, the Canadian Pacific Railway, the Great Trunk and other lines included in the Railway Association of Canada, and their shop craft employees recommends:

1.—The parties should confer as soon as conditions permit with regard to permanent rates of pay.
2.—That the reduction of five, seven and nine cents an hour, of which the railways gave notice, be effective temporarily from August 16th, but when definite rates are agreed upon they be effective from July 16th.

The award affects approximately 35,000 employees. It is signed by Alex Smith, of Ottawa, chairman of the board, and Isaac Pitblado, K.C., of Winnipeg, representing the employers.

James Simpson, of Toronto, has presented a minority report.

Mr. Simpson hopes to avert a strike.

Mr. Simpson says that it is with the hope of averting a strike that he protests against acceptance of the report.

N. S. MINERS VOTE

TO RESUME WORK

Vote Was 7,768 in Favor of Agreement and 2,890 Against.

Practically complete returns indicated that the miners of Nova Scotia Sydney wage proposal negotiated be voted about three to one to accept the between representatives of the British Empire Steel Corporation and the miners' officers and thereby to terminate the mine strike, which has paralyzed the coal industry of that province for the last seventeen days.

By Tuesday, it was expected, the miners will be back in the pits and nearly all the colliers will be working full blast to catch up on accumulated orders and shipments.

By Tuesday also, it was thought, the military evacuation of New Aberdeen will have been authorized and the troops sent to Cape Breton for strike duty will be on their way back to the mainland.

The vote stood:
For the agreement, 7,768.
Against, 2,890.

The principal surprise to the general public was furnished by the large Springhill local, on the mainland in Cumberland county, which voted 861 to 110 to reject the agreement and continue the strike for full 1921 rates.

A lesser surprise was the action of Phalen local in accepting the agreement by a substantial majority. Phalen was the home of the strike in the first place.

MARK TWAIN AT

OPERA HOUSE

Very Special Attraction Will Be Shown Here Next Monday and Tuesday.

As a special attraction, the Opera House will show next Monday and Tuesday the big, new William Fox film version of Mark Twain's funniest book, "A Connecticut Yankee in King Arthur's Court."

As readers of Mark Twain will realize, this book offers wonderful scope to a motion picture director, and it is surprising that no producer until now has undertaken to put on the screen. The Fox production is on a huge scale, bringing out the full force of all the situations invented by Mark Twain's fertile imagination, and translating for the eye all the splendor of medieval court life that Twain had described in words.

A Connecticut Yankee is more than funny; it conveys an argument of striking force. It sets out to prove the thesis that we are as good as our great-grandfathers. It is the fashion nowadays to talk of the "good old times"; Mark Twain shows us just what the "good old times" really were like. "A Connecticut Yankee" is an imaginative masterpiece. It puts a modern, shrewd up-to-date young away.

American against a background of medieval chivalry, and the humor is the result of the sharp contrast.

The man in the wagon is believed to have been instantly killed. His wife's injuries proved fatal for she died early Monday afternoon. The little boy who is about 5 years of age, sustained a broken limb and injuries about the head and face. He was brought to Campbellton on the Ocean Limited and rushed to the hospital where it is reported that he is improving favorably.

The male victim of the tragedy was recognized by people of Padoue as Adelard Fournier who lives in a backwoods settlement several miles from the railway. It is believed that he and his wife accompanied by their little boy were returning from visiting relatives in that vicinity and must have fallen asleep trusting their horse to convey them safely home.

It is said that five children besides the boy in the hospital survive their parents.
