The Hair May Be Preserved

About five years ago my hair began to come out quite freely. She used two tales of Ayer's Hair Vigor, which not by prevented baldness, but also stimated an entirely new and vigorous swith of hair. I am ready to certify to a statement before a justice of the acc.—H. Hulsebus, Lewisburg, Iowa. On two occasions, during the past enty years, a humor in the scalp used my hair to fall out. Each time, used Myer's Hair Vigor and with grating results. This preparation checked a hair from falling, stimulated its owth, and healed the humors, rendering my scalp clean and healthy.—T. P.
