### FIFTEENTH YEAR

### CHINESE PANIC-STRICKEN

#### THE JAPS ARE ADVANCING IN LAND AND SEA.

With occupied by the Hun's troops  
without opposition—Chinese camps  
filled with raw levies without  
arms or clothing—Li Hung Chang will  
fight to retain his position.

London, Oct. 1.—A despatch from  
Shanghai to the Central News says the  
Japanese have occupied Wip without  
meeting with any opposition on the part  
of the Chinese troops.

Friction between Prince Kung, the Em-  
peror's appointee to the presidency of  
the Foreign Board, and Li Hung Chang,  
the despatch says, is inevitable. The  
Viceroy is certain to be hampered in his  
conduct of operations against the  
panes. The Imperial Council is com-  
pletely disorganized and the corruption  
which has prevailed in the Chinese  
Department for years has left the troops  
with no suitable clothing and a scanty  
supply of food. Cannon, rifles and other  
munitions of war, which from time to  
time were allowed to be bought and  
paid for, cannot now be found, and  
presumably the money represented to  
have been expended for them was ap-  
propriated by the officials into whose  
hands it was entrusted.

The immense camp between Tien-Tsin  
and Tientsin is filled with Chinese  
troops, who are without arms and in  
many cases without sufficient clothing  
to cover them. Records in the  
rampant, there being not the slightest  
degree of discipline.

Executions take place daily, the mere  
infraction of rule or law being punishable  
by the loss of the offender's head.  
European residents in China are taking  
refuge in the treaty ports under the  
protection of the warships of their re-  
spective countries. A large number of  
Chinese merchants are also seeking safety  
in flight. Their goods are being seized  
in many cases, and of large means  
have been plundered of every vestige of  
property they possess, and in many  
cases maltreated if they protested.  
Most of these have also made their way  
to the treaty ports.

The troops stationed at Canton have  
been ordered to Formosa. The Pall  
Mail Gazette publishes a despatch from  
Shanghai, stating that the Japanese  
troops are reported to be rapidly near-  
ing Moukden.

The Chinese on the Sea.  
London, Oct. 1.—The Daily News prints  
a despatch from Canton, stating that  
the Chinese Government is removing  
from Moukden all the treasures  
stored there. Records in the  
whether the Emperor Hien-Tung fled in  
1860, because of his being pursued by  
the English and French armies.

A British naval officer attached to  
the Chinese naval squadron, which was  
engaged in the fight off the Yalu River,  
has written a letter to The Graphic,  
which is published in this paper today.  
In this letter the officer gives  
additional details of the fighting  
and says:

On board the warship Chen-Yuen the  
fighting was awful. The decks and  
gunports were filled with the  
human fragments, and three of five men  
working a four-ton gun were blown up  
by a shell from the enemy's ship, the  
Naniwa. A fourth man was shot  
while trying to escape from the  
fifth shell. The Naniwa was  
blown up and sank. The Chen-Yuen  
was fired three times at the Naniwa,  
and she entered the engine-room  
and another man was killed.  
The Naniwa then hoisted  
the Chinese flag and the  
surviving gunner with a present of 1000  
taels. A shell glanced from the steel  
deck of the Chen-Yuen and struck her  
tower, shattering everything there.  
A lieutenant, who was in the net  
breaking through the Chinese  
to the engine-room, was blown into  
atoms, and his head was left  
floating in the sea.

Huge fragments of armor and  
the tank backing the rear were carried  
inboard by shot. A large number of  
European engineers who were engaged  
about in the engine-room, and a steam  
pipe was drenched from head to foot  
with the blood of a man who was  
killed by a shell. The Chen-Yuen  
arrived at Wei-Hai-Wei after the  
fight in the same condition in which  
she left the battle. No attempt had  
been made to wash the blood from her  
or to remove the corpses which strewed  
her decks.

The writer expresses the opinion that  
if the European rulers could have seen  
the decks of the Chen-Yuen they would  
have forewarned war hereafter and for-  
ever.

New York, Oct. 1.—The Herald's Wash-  
ington special says the considerable ap-  
prehension exists in official circles as to  
the probability of interference on  
the part of either Great Britain or Russia.  
While neither of the two countries named  
desire to be drawn into the trouble,  
a result of the Korean controversy, of-  
ficials here believe that only a miracle  
can prevent it, and they are only a mir-  
acle away from a state of war with  
America and their interests will be afforded  
complete protection in case the Russian  
and the British do become in-  
volved.

China Calling Out Her Men.  
London, Oct. 1.—Sung Kwei, the Em-  
peror's father-in-law, has started for  
Hsin-Hai-Kwan on the Gulf of Liao Tung  
at the head of 60,000 picked Manchurian  
soldiers. Shau-Hai-Kwan is of great  
strategic importance, it being the point  
at which the high road from the coast  
to Peking begins. Sung is making prepa-  
rations to resist the landing of a force  
of the enemy.

Preparations for the better defence of  
Peking are also being energetically push-  
ed. It is expected that the garrison  
there will be reinforced by 20,000 Kas-  
hars. Twenty-five thousand troops,  
drafted from a number of the provinces,  
who have been drilled by foreign offi-  
cers, are being massed at Chung-Chow,  
a few miles south-east of Peking. These  
troops are under command of General  
Lih.

The foreign residents of Peking are sub-  
jected to constant insult by a number  
and a number of them have been as-  
saulted on the streets. Among the per-  
sons who have thus been mistreated are  
several British subjects, including the  
interpreter of the British Legation and  
Dr. Hudson.

Japan's Cruisers Sighted.  
London, Oct. 1.—The Pall Mail Gazette  
says a fleet of Japanese cruisers  
is sighted three days. The nature of  
the operations being carried on by these  
cruisers is not known. An invasion is  
highly expected.

Washington, Oct. 1.—There is still con-  
siderable talk of sending the New York  
to the Orient. Secretary Herbert re-  
fuses to discuss the question, but there  
is no doubt that he has the matter under  
advice. Secretary Herbert said  
yesterday that the rumor that Captain Evans of  
the Orient will be sent to the  
Orient with his vessel. Further than  
this the secretary would not talk.

#### NOMINATION OF CANDIDATES FOR THE VARIOUS OFFICES.

Contest for President in Both the Liberal  
and Conservative Clubs—Eveve Evans  
of Etobicoke Declines to Enter the  
Field as a Patron Candidate Against  
Clark Wallace in West York.

There will be no straight fight between  
opposing tickets in the Young Conserva-  
tive election this year. The contest for  
the presidency will be three-cornered,  
and the nominations last night for other  
offices were of a very mixed nature.  
About 300 members were present during  
the earlier part of the evening, and the  
names put forward were very numerous.  
Those who will stand for the presidency  
are Messrs. W. B. Newsome, Richard Ar-  
mstrong and John Tyrone. The names  
who were nominated and retired were  
Messrs. John A. Ferguson, J. Castell Hopkins,  
W. D. Macpherson, E. H. Cross,  
For the first vice-presidency Messrs.  
Spencer G. Prior, Deacon, James Knowles  
and A. R. J. P. Haszard are in the field.  
Mr. J. A. McIvor holds the second  
vice-chair by acclamation. Messrs. S.  
Alfred Jones and Joseph Thompson will  
contest the third vice-presidency.

Mr. L. Chumey was elected to the  
corresponding secretaryship by acclamation.  
Messrs. F. Maguire, T. Hoole and  
W. P. Bull are standing for the recording  
secretaryship. Mr. E. Floody is financial  
secretary by acclamation. For the  
treasurership there will be a contest be-  
tween Messrs. J. Fawcett and W. B.  
Twenley. The seven members of the man-  
aging committee are to be elected to-  
morrow. The following nominees: Messrs.  
T. A. E. World, H. J. Hollinrake, John E.  
Laxton, H. Patterson, William Ham-  
bleton, S. E. Harris, F. Harrington, Wal-  
lace Millingham, Messrs. J. H. McChie  
and A. J. McLean were appointed audi-  
tors for the ensuing year.

For the Young Liberal Presidency.  
At the meeting of the Young Men's  
Liberal Club at Richmond Hall last  
night the following officers were elected  
by acclamation: First vice-president,  
Stewart E. Bruce; second vice-president,  
William Willison; third vice-president,  
J. McInnes; treasurer, Thomas Reid; re-  
cording secretary, James E. Day; cor-  
responding secretary, Harry N. Gross.

For the office of president there are  
two candidates, William A. Lewis and  
Stewart Lyon. The election will be held  
Oct. 15.

East Yonkers Conservatives Preparing.  
Gorris, Oct. 1.—East Yonkers Lib-  
eral-Conservative met here this after-  
noon. President James Irwin in the  
chair. Over 200 delegates in full  
credentials. The meeting appointed an  
Executive Committee to have the voters  
list thoroughly revised. The meeting  
called a convention at a later date to  
nominate a candidate for the Dominion  
House.

Patrons Searching for a Candidate.  
Arthur, Oct. 1.—The Patrons of In-  
dustry of West Wellington held a  
meeting here to-day for the purpose of  
nominating a candidate for the Dominion  
elections. They decided to  
discourage Chas. John manufactured  
goods, and by ignoring them, which is  
not to get any one to stand for the  
position. They accordingly adjourned to  
discuss the matter. The meeting was  
held in the hall of the Dominion House.  
The Rev. of Etobicoke Declines.  
Editor: I see by the news-  
papers that I have been selected by the  
Patrons of Industry as their candidate  
for the Dominion House. I am sorry to  
hear of this, but I am unable to accept  
of the nomination, and, as I wish to  
save my friends the useless trouble  
of circulating those notices, I have  
written you a few lines to inform the  
electors of West York, through your  
valuable paper, that I have no in-  
tention of accepting the nomination.  
I am, Sir, very respectfully,  
Yours truly,  
J. D. EVANS,  
Inlington, Sept. 28.

MUTUAL RESERVE OFFICIALS.  
Changes in the Line of Promotion—Dinner  
to Sir Theodore Fry.

At a meeting of the Board of Directors  
of the Mutual Reserve Fund Life Assn-  
of Canada held on Wednesday afternoon, Mr.  
Douglas Wells, for the past five years  
third vice-president of the association,  
was advanced to the position of second  
vice-president, and was elected to the  
chairmanship of the association. Mr.  
George D. Eldridge, insurance  
expert and attorney, becoming third  
vice-president, and Mr. D. E. Cameron,  
late assistant treasurer of the Province  
of Ontario, and for two years a council  
officer of the association in Canada, suc-  
ceeding Mr. Eldridge as general auditor  
of the association. The secretary, Mr.  
George W. Harper, the efficient vice-  
chairman of the death claims de-  
partment, was elected to a seat on the  
Board of Directors, and Mr. Frederick  
A. Burnham, counselor of the association,  
was elected to the position of secretary.  
The committee now consists of President  
Edward B. Harper, Counselor Burnham,  
and Vice-President Wells. The changes  
mentioned are all in the line of promo-  
tion.

On Wednesday evening, at the Lotus  
Club, President Harper entertained at  
dinner Sir Theodore Fry, Bart. M.P.,  
a member of the Executive Board of the  
association in England, the company  
consisting besides President Harper,  
Vice-President Eldridge, Counselor  
Burnham, Treasurer John W. Vrooman,  
Managing Director George H. Wooster,  
General Auditor Cameron and other of-  
ficers of the association. Sir Theodore  
is accompanied by Mr. Francis Fox of  
Plymouth, England, who, with Mr. W.  
R. Fry, Sir Theodore's son, who resides  
in New York, was also present.—New  
York Press, Sept. 28, 1894.

#### STREET FIGHT ENDS IN DEATH.

But William Giblin Escaped a  
Manslaughter Charge.

Two Boys Engage in a Dispute, One is  
Hit with a Missile and Knocked Down,  
Another is Killed, the Cause of the  
Manslaughter Charge.

While returning home from school on  
Monday last week a number of boys,  
among whom were William Giblin, 178  
William-street, and Harry Fletcher, 29  
Mechanics, became engaged in a  
free fight in St. Patrick's-lane.

Struck With a Cedar Block.  
During the fight Giblin struck Fletcher  
on the back of the head with a flat-  
iron. This caused young Fletcher to  
walk away. As he did so eye witnesses  
of the occurrence say Giblin threw a  
cedar block, striking Fletcher in the  
back and knocking him down. He had  
come in contact with the carbones.  
He was picked up and taken home by  
William G. Carr, and Harry Fletcher  
was called in.

Dead in Convulsions.  
No serious results were anticipated  
until Sunday morning, when Fletcher  
was taken with convulsions and died in a  
few hours. The coroner's inquest was  
constant attendance, notified Coroner  
Johnson, and he issued a warrant for an  
inquest, which was held at the American  
Hotel yesterday afternoon.

The post mortem examination made by  
Dr. Young and Harrington shows the  
death had been caused by diffuse in-  
flammation of the brain, resulting  
from the injury sustained in the fall  
against the curb.

Should Be Put a Stop To.  
During his address to the jury Dr. John-  
son expressed himself strongly as to the  
danger of these street fights among lar-  
ge boys, and he urged that some  
common sense strict measures should be  
taken to effectually stop them.

Released From Custody.  
Young G. Carr has been taken  
charge of by Detective Harrison, was  
present during the inquest and treated  
by a short detention, but he has de-  
cided they would scarcely be justified  
owing to the fact that the young man  
was brought in a verdict of man-  
slaughter against Giblin, and returned  
to his home, where he is recovering  
from meningitis. Giblin was dis-  
missed from custody, after being reminded  
by the coroner of the seriousness of his  
act, and warned to be more careful in  
the future.

This Inquest Adjourned.  
The inquest on the body of Gresham  
Webster, who was killed Saturday night  
last on the C.P.R. tracks at Toronto  
 Junction by getting in the way of a  
train, was adjourned until to-morrow  
night, when it will be gone on with at  
the Campbell House.

Will Remove to the Junction.  
Wesley & Co., whose premises were re-  
cently destroyed by fire,  
have decided to remove to the Junction.  
The firm will occupy the old Hess  
factory, which will give free traction and  
free water.

were aroused by a noise in the sleeping  
apartments of a Mr. Crawford, who was  
lying in a pool of blood, his face horribly  
swollen. The body was found in a  
state of the most terrible death. Crawford  
admits the crime, and says that Bretton  
was paying too much attention to his  
business.
