Father and Son Banquet

An event, the first of its kind, but which is sure not to be the last, took place Saturday evening, when a Father and Son Banquet for Tuxis Boys and boys of the Tuxis age, and fathers, was held in the vestry of the Gordon Providence United Church. At 6.30 the boys and their fathers, numbering close to one hundred, sat down to tables loaded with the good things provided by the mothers of the boys, and other mothers interested in the welfare of the boys of our town.

Father and son sat side by side. Some fathers had a boy on each side. Some boys whose fathers were unable to come, or had lost their father, borrowed one for the occasion. After doing justice to the good things on the tables the following program was taken up. Rev. Mr. Underwood, President of the Boy's Work Board presided.

Tuxis songs, led by Mr. Henry Hicks; toast, "The King," responded by the national anthem; toast, "Our Fathers," proposed by Gerald Freeman, responded to by Mr. Dand; reading, "Sam's Letter," George Foster; toast, "Our Boys," proposed by Mr. M. C. Foster, responded to by Owen Armstrong; message from Rev. Mr. Bryant, read by Mr. Hicks, secretary B.W.B.; speeches from the members of the successful debating team; presentation of Honour Badges by President Underwood of the B.W.B.; toast, "The C.S.E.T. Program," proposed by George Foster, responded to by John Roberts; address by Mayor W. A. Warren; toast, "Our Mothers," proposed by Harold Whitman, responded to by Mrs. Fay; toast, "Our Leaders," proposed by Harold Price, responded to by Mr. Sidenius.

Mr. Sidenius, Field Secretary of Boy's Work, in replying to this toast spoke on Father, Son, and Company. His address was delivered in his usual deliberate, logical, and forcible way. With apt illustration he showed the strong bond of sympathy and unity of interest that should exist between father and son. A lasting impression was made on all who heard him.

Blue Honour badges for hiking were presented to James Todd and Harry Tropp. M. C. Foster, Mentor of the Torch Bearers, announced that one of his boys, Vernon Rice, had performed a work of skill in the making of a violin. When this has been judged an appropriate Honour badge will be awarded.

The banquet closed with "Auld Lang Syne."

Sunday afternoon Mr. Sidenius addressed a mass meeting in the Baptist Church. The central part of the church was filled with fathers and sons. A large number of others occupied the side pews. His address on Efficiency could not help but inspire all to higher aims and to greater achievements.

A REAL LIVE TESTIMONIAL

Given to Professor Hamilton, of Hampton, N. S.

Westville, Jan 8th, 1921

DEAR SIR: My reason for writing you is one of sheer gratitude and a desire to assist others who are suffering. 16 years ago I was a total invalid, lost the use and power of both legs, and arms, could not move them, had no use of them whatever, had to be dressed, fed and carried around. I tried our local doctor six months. At the end of that time I received no benefit, so I was ordered to the Hospital in New Glasgow, so my husband and friends took me there on a bed. I remained under treatment for 7 months. At the end of that time I received no benefit and was given up as a hopeless case. No cure for me. I was sent home the same as I went, on a bed. During my stay friends came to see me and told me of the arrival of Prof. B. S. Hamilton to Westville and of the marvelous cure to his credit. When I arrived home my husband sent for him at once, he came and diagnosed my case, making the remark I see no difficulty in restoring your limbs back again to actual use. I commenced his treatment and in one week my arms began to come to life, the second week both legs and arms so I could move them a little and in three months' time I had perfect use of both and as strong as ever. I have done my own work for a family of six ever since. Gained in flesh and never felt better. Feeling grateful to you and pleased to recommend your treatment to others, may God bless you in your good work and spare you for years to come to help suffering ones.

Yours respectfully,
MRS. MCQUINN
