

GAZETTE—Continued.

past years has been so great an incentive to the sale of pure-bred stock in Ontario as the rates now in force, obtained by the Transportation Committee of the Dominion Live Stock Associations.

SPECIAL REDUCTIONS AND CONCESSIONS LATELY OBTAINED.

The carload rate on pure bred live stock to British Columbia has been reduced by about sixty dollars. The rate to the Pacific Coast has hitherto been so excessive that sales to British Columbia have been comparatively light. A number of enquiries have been received from breeders in British Columbia, but the rates for transportation have been so high as to be prohibitive, except in a limited number of cases. With the reduced rate from Ontario, the trade with this province should be greatly increased.

L. C. L. LOTS OF SHEEP AND SWINE TAKEN WITHOUT BEING CRATED

Arrangements have just been completed with the trunk lines so that less than carload lots of calves, sheep and swine, consisting of over three may be loaded in a car without being crated, simply being penned off in one end of the car.

After a good deal of correspondence and communication between the Live Stock Associations and the Government of the Northwest Territories an agreement has been arrived at whereby one thoroughbred bull for any *bona fide* settler in the Northwest Territories will be delivered at any point in the Territories from any point in Ontario for the sum of five dollars.

Fuller particulars regarding the above concessions will be given further on.

BARRED PLYMOUTH ROCKS

In the pen a cock and four pullets, purchased and selected for me by the well known poultry expert, Mr. Jarvis, of the Ontario Agricultural College, Guelph, who has also acted as judge for many years in the leading poultry shows of Canada and the United States. The Cock is Thompson, bred at Canton, Ohio, it won first as a cockerel. Again under Bridge it this year tied for 1st place for cock in very strong competition. One pullet took 1st at Canton, Ohio, the other was one out of the pen which took first for the best breeding pen. The cock was also pronounced by Mrs. Comyns-Lewer, editor *Feather World*, London, Eng., who visited the great Toronto Poultry Show this year, as the most perfect type of Barred Rock she had seen on the American continent.

Settings. 13 eggs \$2, 30 eggs \$4.
Best cockerels, \$10 each. A few culls left \$3 each.
No pullets or hens for sale.
