Star - Rider's Manual,

By the Wheelmen who Coasted Mt. Washington on a Star.

Now ready. Buy it, and learn the history of the Star. It contains engravings of the author and the inventor of the Star. It tells how to become a perfect master of the Star; how to do all of Burt Presly's trick-riding; all about touring, care of the Star, rights of wheelmen, and a lot of other valuable information. Equally valuable for the crank rider. PRICE, POSTPAID, FIFTY CENTS.

Address the Author,

E. H. CORSON, East Rochester, N. H.

Selling Agent for the Newly Improved American Star Bicycle, "Victor" Tricycle, and dealer in Second-Hand Crank Bicycles (to be sold very cheap) and Bicycle Supplies of all kinds. Also inventor and manufacturer of the "Tourist's Drink," a filtering drinking tube. Price, 50 cents. Write for anything wanted; enclosing stamp, and you will receive an answer to your advantage.
