**RINGWOOD,**

Got by Edward Everett, 1st dam by Long Island Black Hawk, 2nd dam by American Star, will stand during the season of 1876, at the Stormont Stock Farm, one mile east of the Town of Cornwall.

**RINGWOOD** is a color, golden chestnut, stands 15½ hands high, and weighs 1,170 lbs. He is a horse of grand presence. In more style, head and tail, than any horse in the country. With his perfect, regular, machine like action, his wonderful speed, power and substance, and his rare combination, in the closest and more direct lines, of the blood of the three greatest trotting families on the turf—the ABALLAHS, BASHAWs, and STANs, he is the most desirable horse to breed from in Canada, and not surpassed by any trotting stallion in America. From the appearance of his colts and fillies of 1874 and 1875 (his first got were dropped in 1874), they have his fine size, form and color, it is fair to infer that he will transmit to his stock his own great qualities; the great qualities of style, speed and game that distinguish his Royal ancestry, and place them on the roll of fame, high above all other families of trotters.

Directly descended through his sire, Edward Everett, by Rysdyk's Hambletonian (by Abdallah by Mambrino), from imp. MESSKONN, through his dam, by Long Island Black Hawk (by Andrew Jackson, by Young Bashaw), from imp. ARABIAN GRAND BASHAW, and through his grand dam, by Seely's American Star (by American Star by Duroc), from imp. DUREC, he is more closely and immediately allied to the great trotting wonders of America, with the exception of Walkhill Chief, Ajax, and Artemus, full brothers, and of Socrates and Norwood, full brothers, than any other horse now at this stud, that we know of, either in Canada or in the United States. Add to this the Royal blood of imported Margrave, deeply inbred to the great Henon, derived through the dam of his sire, and you have a combination of the lightest and purest types that may be equalled possibly, but cannot be excelled by that of any trotting sire in the world. **AND BLOOD WILL TELL!!**

TERMS—\$50 the season, payable 1st Sept. next, or if preferred, \$50 to insure. Season will end 31st July.

All mares owned out of the Counties of Stormont, Dundas and Glengarry, must be paid for at the time of service or before removal.

Mares will be pastured or stabled carefully, and fed grain, as the owners may desire, at the most reasonable rates. Every care will be taken of mares, but all accidents and escapes must be at the risk of their owners.

Mares from a distance will be met at the steamer or cars and taken to and from the farm, free of expense, by a careful man. Send for tabulated pedigrees.
