**Something for Nothing.**

Canada stamps are not often given away free, but the rule to-day is to get much for little outlay. Philatelists are always eager to grasp a snap when offered, and knowing this, the publisher bought a quantity of Canada stamps of Quebec law and registered, Supreme Court, Gas Inspection, Ontario Law (green and red) Bill Stamps, and a few postage, and these are now in packets, cataloguing from 70c to \$1.00 each. While they last, each new subscriber sending 25c., *Silver or Canada stamps*, together with 3c. Canada on self-addressed envelope, can have one. The reason for this liberal offer is to increase our subscription list, and at same time deal liberally with our friends.
