RUPTURED PERSONS. Read this letter from another Toronto Citizen. To J. Y. Egan, Truss Manufacturer, Etc., 226 West Queen Street, Toronto, Ontario.

DEAR SIR,—I have been ruptured about thirty-three years. My sufferings during that time have been intense and can only be appreciated by those similarly afflicted. My business as carpenter and joiner (as all "now" demands considerable muscular exertion, frequently I have been compelled to quit work, although at the time wearing Trusses made by the most prominent makers. I could not stand erect, and often had to lie down to ease my sufferings. All the Trusses I have worn have been utter failures. It had been one long round of misery and mental anxiety, loss of time and physical torture. About six months ago, thank God, I heard of your great success in the treatment of rupture cases. The appliances you advertised gave me, I can well remember, a feeling of support never before experienced by me, and has so continued to the present day. I am now comparatively a new man. Previous to this I could not stoop to my work, no matter what Truss I had on, if I got all Toronto, without my rupture coming out. To add to the difficulty I have suffered with a violent cough for years, but in the face of all this your grand appliance has held me secure all the time while doing the hardest work. Only two days (I carried a bundle of green shingles up a 10 story building and not a "bodge" I never dare attempt such a thing before without your appliance. To crown all, I have worn and done my work with your appliance with great comfort for all of which I feel deeply indebted to your skillful treatment. Very truly yours, 136 Teresian St., Toronto. DONALD McKINNA.
