**OUR Sabbath School Publications**

To Superintendents and Teachers.

We shall be glad to forward specimen copies of the Sabbath School Papers published by the undersigned. They are three in number, and have all been before the Canadian Public for several years.

It is claimed for the **SABBATH SCHOOL PRESBYTERIAN** that no better paper for Presbyterian Schools can be got anywhere. During the past and current year a good deal of matter has appeared in its columns well calculated to awaken the interest of the young in our Foreign Missions and other Church work; the illustrations have been attractive; and the general contents of such a character as would prove interesting to the older scholars. During 1883, our best efforts shall be directed to making this paper, if possible, more useful than at any previous period since its commencement, seven years ago.

If your school has never yet given the **SABBATH SCHOOL PRESBYTERIAN** a trial, you are invited to do so for the coming year. It may not be quite as low-priced as some American publications we could mention. It is certainly very much better, and cheaper too, if **QUALITY OF PAPER AND PRINTING AND SUITABILITY** are taken into account. The price will be found the same as charged for a similar publication issued by the American Presbyterian Board.

**GOLDEN HOURS**, a bright and beautiful monthly, will also be continued at prices given below. The reading in this paper is quite different from that appearing in the **SABBATH SCHOOL PRESBYTERIAN**, with the exception of the Lesson, which is the same in both publications. **GOLDEN HOURS IS UNDENOMINATIONAL.**

**EARLY DAYS**, a favorite with the junior and infant classes, is published twice a month. For some time past we have been giving in its pages a series of short Bible stories, with appropriate illustrations. In the coming year the wants of the young shall have careful consideration. The Story Lesson—a useful feature of the paper—will be continued; more illustrations will be used, and in every respect **EARLY DAYS**, in the months that are to come, will take a step in advance on its past record. **EARLY DAYS IS ALSO UNDENOMINATIONAL.**

The intention is to make all the papers **BETTER THAN EVER BEFORE**, thus rendering them more and more worthy a largely increased patronage at the hands of those who are unwearied in their efforts for the highest good of the "lambs of the flock"—the "children of the Church."

Parcels of specimen copies sent free on application.

By **REV. J. A. R. DICKSON, GALT.**

This series of Bible Readings will be found highly suggestive; and will prove a valuable addition to the helps on the International Sabbath School Lessons for the coming year. Teachers, especially, will find this little book very useful in the study of the Lesson; while in its pages, the reader may gather many precious seed-truths from week to week.

**THE COMBINATION.**

TO THE PUBLIC.—I have much pleasure in calling the attention of my CUSTOMERS and the Public generally to my **NEW and Improved COAL and WOOD STOVE** embodying the principle of a **SELF-FEEDER** having a found cast-iron fire-pot, by means of which the dangerous fire can be kept on, the consumption of fuel being less than in the ordinary cooking stove or range. There are over **SEVENTY-FIVE** of these stoves in use in the city, all of which are giving entire satisfaction.

**TESTIMONIAL.**

Sir,—One of your Combined Stoves has been in use in my family for two months, and has afforded perfect satisfaction in every respect.
