Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. All scientific research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are cured in from one to three simple applications made at home. Pamphlet explaining this new treatment is sent free on receipt of stamp, by A. H. Lison &amp; Son, 315 King Street West, Toronto, Canada. Christian Standard.
