Bible Reading & Prayer Alliance,
32 page Monthly, 36c. per year.

"Notes for Bible Study to hand. I am greatly pleased with them; have adopted the daily reading in family worship, and cannot speak too highly of them."

(Rev.) J. B. Huff, Sarnia, Ont.

"It is a grand arrangement, and should be in the hands of every Bible reader."

R. Smith, Chatham, Ont.

"This is a good idea. I have long wished for some plan of united Scripture readings for family and closet similar to this. The 'weekly prayer meeting topic' is splendid."

THE BEST LITERATURE OF THE DAY.

THE BOY'S OWN PAPER.

This delightful work is read, not only by boys, but by their fathers and mothers, as the information therein is such that while tending to make boys eminently useful, it is a great help to those in advance of childhood. While teaching how work is to be done in the most profitable manner, it directs boys not only to play also in the most enjoyable one, but to make their own pastime subservient to instruction. Each part contains 64 to 80 large quarto pages, with an average of 100 illustrations, many of them chromos of a superior class.

THE LEISURE HOUR.

A magazine treating of all the literary and historical questions of the day, which is exemplified in the laborious researches of the best available talent, throwing unexpected light on stirring events which cannot be fully treated of nor looked for in the columns of a newspaper. The magazine is now taking the foremost place in Great Britain for its acumen on passing matters. The wood-cuts are perfect gems.

THE GIRL'S OWN PAPER.

Full of illustrations and suitable alike for Cottage or Castle, comprising articles on every subject for domestic enjoyment, written by the best authorities in the most pleasing and popular style, with full instruction in Vocal and Instrumental Music, Dress Embroidery, Lace-making, Painting on China, Housekeeping, &c., with a piece of music and three serial stories in each part. This magazine is the young ladies' favorite wherever seen.

THE SUNDAY AT HOME.

A record of all interesting religious matters, with valuable articles fresh from the pens of reliable authors, giving the result of wide reading, careful and conscientious study, without being in any way denominational. It is welcomed alike by Protestant and Roman Catholic, Methodist and Presbyterian, Episcopalian and Baptist, and is acceptable everywhere that Sunday literature is and out to be studied.

The above Magazines can be procured through any Bookseller, or direct from the Publishers on receipt of price.

Monthly Parts, 15 cents; Subscription to Annual Volume, \$1.50.

May also be had handsomely bound.

Now and Improved Grand Pianos.

Now and Improved Square Pianos.

Now and Improved Upright Pianos.

We beg to call special attention to our *Parlor Grand Piano*, the first manufactured in Canada. The leading features of the Grand are its fine singing quality of tone, caused by the introduction of "Heintzman's Patent Bridge." Patented November 4, 1891.

A new Agraffe for the Bass (our own invention) giving a firmness and purity for tone. Also our new improved Metallic Action Frame for strength and durability.

Every Piano Fully Warranted for Five Years.

We confidently assert that no Piano equal in quality can be imported from the United States, and sold as low in price, as we can offer these fine instruments. Simply heavy duties and freights have to be paid on imported Pianos. We can also purchase lumber cheaper, and wages and expenses are less.

We have no connection with firm lately commenced operations under a similar name; our instruments can only be purchased at our Warerooms, 117 King Street West, Toronto, or from duly authorized Agents.

Communications will receive prompt attention, and Visitors to the City will be cordially welcomed.
