EPPS'S COCOA

BREAKFAST—SUPPER.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*

Made simply with boiling water or milk. Sold only in packets by Grocers, labelled thus:

**NEVER
KNOWN
TO FAIL**

Rev. Dr. McDonald, Ste. Agnes de Dundas, P.Q.:
"I have great pleasure in recommending K.D.C. as a cure for dyspepsia. I have seen its wonderful effect in several instances. Besides, I am personally acquainted with many clergymen, whose testimonials I have read, and I know that their word can be implicitly relied on. I have never known K.D.C. to fail where fairly tried."
