Number 16.

GOODWIN'S GREEK GRAMMAR.

By WILLIAM W. GOODWIN, Ph.D., Eliot Professor of Greek Literature in Harvard College. Revised and Enlarged Edition.

Mailing Price, - - - -	\$1.65
Introduction, - - - -	1.50.
Exchange, - - - -	1.25.

THE object of this Grammar is to state *general principles* clearly and distinctly, with special regard to those who are preparing for college.

The intrinsic merits of the work, its general and almost universal use in the best schools and colleges, and the unqualified testimonies of the most eminent instructors to its success as a working text book, form a convincing chain of argument in its favor.

THE LONDON ATHENAEUM: It is the best Greek Grammar of its size in the English language.

THE LONDON ACADEMY. We distinctly think it the best Greek Grammar that has yet appeared in English, and we are confident that its success will be equal to its merits.

BRITISH QUARTERLY REVIEW FOR APRIL, 1880: It is the best Greek Grammar in the English language. It is based on sound philological principles, clear in arrangement, and complete in details. It contains the best results of recent studies in accidence and syntax, together with important contributions by Professor Goodwin himself.

ESSENTIALS OF ENGLISH GRAMMAR

By WILLIAM DWIGHT WHITNEY, Ph.D., OF YALE COLLEGE.

Introduction Price, - - -	70 cents.
Exchange Price, - - -	40 cents.

This is an *English Grammar* of the English Language, prepared by the best philologist in this country, and republished in England. It is clear, practical, and complete. It proceeds from facts to principles, and from these to classifications and definitions. Mechanical forms, unnecessary classifications, and abstract definitions are avoided.

The facts of English Grammar are presented in such a way as to lay the best foundation for the further and higher study of Language in all its departments.

F. J. CHILD, *Prof. of English Literature, Harvard Univ.*: Professor Whitney's Grammar I saw while it was preparing. I regard my praise as superfluous when such a man devotes himself to such a task. I do not know that I ever before saw an English Grammar which I would permit my children to look into, so great the chance has been that they would learn nothing or be taught something false. I regarded Professor W.'s undertaking and book as a service to humanity as well as to education.
