**GREAT = WEST
Life Assurance Co.**

"The more liberal a policy is made, consistent with safety, the more policies are to be issued. And this the Great West folks seem to believe." Vide *Monetary Times*, April 17th, 1895.

The above undoubtedly refers to the Great West Collateral Security policy which gives to policy holders:—

The **LARGEST** Cash Value;

The **LARGEST** Guaranteed Loan Value;

The **LARGEST** Guaranteed Paid-Up Insurance.

Freedom from restriction as to residence or occupation

All these guarantees are backed by a Reserve calculated on the 4 per cent. basis.—The Great West Life being the first and only Canadian Company that has, from its inception, provided this security for its policy holders.

What takes well with the insuring public is a good thing for Agents to have.

A Paid-Up Share

In the early days of a Gold Mine the discovery and satisfactory details of general advantages and terms are unobscured. Experience has demonstrated the fact that there is a limit to the resources of the best paying mine, and after all the available gold has been mined.

Still in the case, however, as respect to the Investment Value of Life Insurance.

Thoroughly Reliable and Responsible Company,

as experience has shown that the longer an unobscured price has been kept in force, the more the most valuable of investors.
