

On Nov. 30, the St. John Sun made its appearance as an eight-page daily.

It is stated that the lock-up in Fairville is to be built on the old School lot.

A number of new guys have recently been put in the Suspension Bridge by Alex. Lang.

The total eclipse of the moon on Nov. 15 lasted 1 hour, 24 min. The next one will be in 1909.

Dr. Frank G. Esson having resigned and gone to New York, Dr. G. A. B. Addy has been appointed Resident Physician at the Hospital.

On Dec. 18, they will have a supper and musical entertainment in the new Orange Hall, in order to raise money to put seats in the Public Hall.

During the summer, John Seely has built a fishery establishment for dried and smoked fish at the Straight Shore. He does a large West India trade.

Several weeks ago, the chimney of the mill of Chas. Hamilton and Sons, Straight Shore, gave way at the foundation and had to be razed. A new one, 90 ft. high, has been built.

E. G. Dunn and his wife have gone to California to remain till spring. During his absence his house will be tenanted. He has bought Mr. Sutton's mill at Grand Bay. It is being run by his foreman.
