DO YOU CARRY ODOROMA IN STOCK
 If Not, Why Not?

ODOROMA**The Perfect Tooth Powder**

Has captured the market wherever it has been introduced. If it is a new thing to you, here are a few reasons why you should handle it:

It is cleansing, antiseptic, fragrant, refreshing.

It is perfectly harmless.

It has been analyzed by the most expert chemists, who all report in the most favorable terms.

It sells at a glance in the first instance, and on its reputation thereafter.

It yields more profit to the retailer, and to the consumer a greater quantity of the best quality, than any other tooth powder in the world.
