FREIGHTS.

Are practically unchanged, but the tendency in S. F. is downward. In the lumber market there is really nothing new to report.

Freights from British Columbia or Puget Sound are quoted as follows:—Valparaiso for orders, 37s 6d; Sydney, 27s 6d; Melbourne, Adelaide or Port Pirie, 37s 6d; United Kingdom, calling at Cork for orders, 50s 6d; Shanghai, 37s 6d; Tientsin 35s.

Grain freights from San Francisco to Cork, U. K., for orders, usual options are quoted at 32s 6d; with but little doing.

Coal freights are quoted: Nanaimo or

Departure Bay to San Francisco, \$1.75 to \$2; to San Diego or San Pedro, \$2.25 to \$2.50.

A large amount of smuggled tobacco has been seized at Waterloo, Ont. The American schooner Salvator, 444 tons, was loaded so deep at the Brunette Mills that her deck amidships was under water. Capt. Collister, surveyor, ordered her lightened, and 42,000 feet of lumber was discharged.

An agreement has been entered into between the manager of the New Vancouver Coal Co. and the miners, whereby the mines will be operated on a basis of a ten per cent. reduction instead of the

present twenty per cent. This modification is to take effect from the 1st of November, and continue for six months, namely, until the 30th of April, when it is proposed to come together again and submit such fresh terms as may be deemed necessary. The above modification from twenty to ten per cent. will apply in like proportion to the employees earning \$3 and less, viz: Those now working under a fifteen per cent. reduction to work under a seven and a half per cent. reduction, and those now working under a ten per cent. to take five per cent. It is to be clearly understood that the standing agreement between the company and the union shall be strictly adhered to, and that work shall be resumed at once.
