SMITH'S AMERICAN ORGANS

are distinguished from all other reed instruments by their Superior Power, Beautiful Tone, Perfect Action, and Tasteful Exterior.

No other instruments are so carefully "voiced" and tuned; and none can give at once such full and such delicate combinations of tone. Their sub-bass, in particular, whether manual or pedal, is unapproachable.

The mechanism is all carefully finished under the personal supervision of the proprietors.

For these reasons the AMERICAN ORGAN satisfies the artistic as well as the practical sense.

Those who are looking for musical instruments, should, in justice to themselves, examine this masterpiece.

A thorough Comparison is invited

AS TO ALL THE POINTS OF SUPERIORITY CLAIMED. An elegantly Illustrated Circular, containing description and prices, will be sent, post-paid, on application.
