

**EVERY LIVE TEACHER
Must Have
ARMSTRONG'S
Arithmetical Problems.**

This work has been prepared to supplement the present Public School Arithmetic. It contains over 800 problems. It has appended the Entrance Papers for the last ten years. It receives the approval of teachers and inspectors.

READ WHAT THEY SAY.

From J. C. LINKLATER, ESQ., Principal M. S., Ganoque.

"Arithmetical Problems received a few days ago. I have examined the problems, and think they are admirably suited for the purpose intended. I am sure that teachers of senior classes will find them a great assistance."

From W. MACKINTOSH, ESQ., Inspector, North Hastings.

"I have examined Arithmetical Problems and am satisfied of its suitability for the place for which it was designed. I have no doubt it will prove very useful."

From J. W. GARVIN, B.A., Principal M. S., Woodstock.

"Your book of Problems received. It will certainly be very helpful to teachers of Senior and Entrance pupils of our Public Schools. I shall recommend it to my teachers-in-training."

From J. C. MORGAN, M.A., Inspector, Barrie.

"I have no hesitation in saying that for the purpose for which it is intended, the work is infinitely the best with which I am acquainted. Its strong point, to my idea, is the logical sequence in the problems by which the pupil is almost insensibly led on step by step until he reaches quite a difficult style of question. The printer, too, has done his work very well, and there are but few typographical errors. I shall certainly recommend every teacher in my inspectorate to use a copy."

**THE HIGH SCHOOL
Drawing : Course**

Authorized by the Minister of Education.

The course is now complete :

- No. 1—FREEHAND,
- No. 2—PRACTICAL GEOMETRY.
- No. 3—LINEAR PERSPECTIVE,
- No. 4—OBJECT DRAWING,
- No. 5—INDUSTRIAL DESIGN.

These books are all uniform in size and style, and constitute a complete uniform series. The same plan is followed through them all—the Text, the Problems, and opposite the Problems, in each case, the Exercises based upon them. The illustration is upon the same page with its own matter, and with the exercise, in every case, is a space for the student's work. Each copy, therefore, is a complete Text-book on its subject, and a Drawing Book as well, the paper on which the books are printed being first-class drawing paper. The student using these books, therefore, is not obliged to purchase and take care of a drawing book also. Moreover, Nos. 1, 4, and 5 are the only books on their subjects authorized by the Department. Therefore, if the student buys the full series, he will have a uniform, and not a mixed series, covering the whole subjects of the examinations, and edited by Mr. Arthur J. Reading, one of the best authorities in these subjects in this country, and recently Master in the School of Art.

Each book is in the direct line of the curriculum, and is authorized. The examinations in High School Drawing will be set from the authorized books.

PRICE, ONLY 15c. PER BOOK.

A few thoughts concerning

ASTHMA

Its Cause and Cure

Must interest every one afflicted with this terrible disease. To describe this disease to one that has suffered for years the untold agonies of suffocation and distress night after night and who (in many extreme cases) would only gladly welcome death in order to be relieved from such suffering with no prospects of ever being any better is not pleasant to contemplate. All the boasted remedies heretofore claimed to cure Asthma have failed or only given temporary relief. The smoking of leaves and barks, saturated paper and pastilles has been resorted to as the last means for only a temporary relief anything being considered a blessing that will release the grasp of the fingers of death (even for a short time), which seems to be tightening every moment more and more; the sufferer knows that this is Asthma. To-day suffocating, in a few days relieved, and no good reason can be given as to the cause of these sudden changes and return of suffering, only by the poisonous blood acting on the nerves producing the disease. In Asthma there is a

SPECIFIC POISON in the Blood that must be **DESTROYED**
before Asthma can be

CURED

This poison is oft-times inherited and passed through many generations, like Scrofula, never losing its power to produce Asthma and oft-times affecting the lungs and bringing the sufferer down to a Consumptive grave. Location, with surrounding causes will arouse and set to work this poison in the blood, so that in some sections of the country an Asthmatic cannot live, even in one part of a city their suffering is intense, move to another part and they are entirely free from Asthma. Thus you learn that there exists a certain poison in the system, that when certain influences are brought to bear that exist in the Atmosphere in many localities will develop this poison in an unusual degree thereby affecting the NERVES, producing spasms and difficult breathing, which every Asthmatic has had such sad experience with, suffering, and no hope of being cured; for having tried every known remedy, exhausted the skill of the physicians, have given up in despair.

After years of study and patient research and watching this disease in all its various phases under various circumstances we present a cure for Asthma known as **DR. TAFT'S ASTHMALENE**, which will entirely destroy this poison in the blood and restore the nerves to a healthy condition and when this is done the spasms will cease, the choking will subside, and the injury done to the lungs will begin at once to be repaired and the nerves restored to perfect health. **ASTHMALENE** is unlike all other so called Asthma cures, as it **CONTAINS NO** Opium, Morphine, Ipecac, Squills, Lobelia, Ether, Chloroform or any other Anodyne or Narcotics, but its combination is of such a nature that it will destroy every particle of this poison in the blood and eliminate it from the system, effect a cure and give a night's sweet sleep. We have received thousands of testimonials from every State in the Union of the marvelous cures from the use of the **ASTHMALENE**. We have never published them, for testimonials have been manufactured so extensively and sold so cheap that people have no confidence in them.

WE DO NOT WANT YOU TO SEND US MONEY

We do not make out a long list of prying, personal and impertinent questions, nor do we resort to any clap trap or any nonsense of any kind in order to make monthly or permanent patients; we only ask any one suffering from Asthma to **TRY A FEW DOSES** of Asthmaleene. We make **NO CHARGE FOR** a trial bottle to sufferers from this terrible malady. **Send us your name on a postal card and we will mail**

FREE

enough of Dr. Taft's Asthmaleene to show its power over the disease, stop the spasms and give a good night's rest, and **prove to you** (no matter how bad your case) that **ASTHMALENE CAN CURE ASTHMA**, and you need no longer neglect your business or sit in a chair all night gasping for breath for fear of suffocation. Send us your full name and post office address on a postal card. **THE DR. TAFT BROS. MEDICINE CO., ROCHESTER, N. Y.**
