A church in Schenectady, N. Y. is to have a brass band instead of a choir.

The Earl of Roseberry and Prince Bismarck have exchanged visits in Berlin.

The Earl of Selkirk, who died very rich lately, left a year's salary to all employed on his estate.

MOTHERS should use Philoderma on their infants, as its soothing and healing properties render it invaluable for chafing.

The British Government intend to save \$15,000,000 out of the \$55,000,000 credit recently voted to the army and navy account.

ESTLEY'S Iron and Quinine Tonic works like magic, reaching every part of the human body through the blood giving to all renewed life and vigor.

The Birmingham Arms Manufacturing Company are busily engaged in making 30,000 rifles for Abdurrahman, the Ameer of Afghanistan.

FOR softening, improving and beautifying the skin, no preparation that has ever been introduced equals Estley's Fragrant Philoderma. Druggists sell it.

As it seems to be pretty well understood that we have a hot summer before us, we would say to all anxious mothers that Nestle's Milk Food is an excellent preventative of cholera infantum and all summer complaints so common to children.

The first rail of the Broadway Surface Railroad, which is to connect the Battery with Central Park, by a direct double-track line, has been laid.

Now is a good time to take Estley's Iron and Quinine Tonic, so that the system may be strengthened and the blood purified to withstand the debilitating effects of the warm summer weather.

The Liberals have gained a decided victory over the conservatives in Ireland, in an election in the County of Antrim, to fill the vacancy caused by the death of James Chaine, Conservative. Mr. Sinclair, the Liberal candidate, had a majority of 139.

THE FAVORITE Washing Compound of the day is unquestionably JAMES PYLE'S PEARLINE. It dispenses with the necessity for beating or rubbing the clothes, and does not injure the fabric.

The oldest deed in America is said to be in the possession of Major Leland, of New York. It was written eighteen years after the discovery of the New World by Columbus. This document is a conveyance of Fisher's Island, near the mouth of the Sound, from certain Indian chiefs to the celebrated navigator, John Cabot, whose signature it bears.

Extracts from a Letter from C. H. S. Cronkhite, Esq.

Canterbury Station, York Co., N.B.,  
October 10th, 1876.

Mr. J. H. Robinson;

Dear Sir,—In reply to your letter of enquiry I would say that your *Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime* is the best preparation of the kind I have ever seen or taken.

I was ordered by my physician to take it, and commenced about the last of August, and since that time I have felt a different man, and also look differently, and all for the better, as the doctor can testify.

I was unable, in the summer to walk any distance without much fatigue. I can now take my gun and travel all day, and feel first-rate at night, and eat as much as any lumberman. Have not lost any since I took your preparation, and can now inflate my lungs without feeling any soreness, and I think I can inflate them up to full measurement, same as before I was sick; have also gained in flesh, my weight in the summer was 173 lbs. and now it is nearly 190 lbs., which is pretty well up to my former weight.

The foregoing is a correct statement which I am prepared to swear to, and I hereby authorize you to give it publicity in my name.

I am, dear sir, truly yours

(Signed) C. H. S. CRONKHITE.

We, the undersigned, hereby consent to have our names published as witnesses to the effects of *Robinson's Phosphorized Emulsion* on the person of Mr. Cronkhite and do assert that the foregoing statement is correct in every particular.

## KIND WORDS.

WEYMOUTH, N. S.

Dear Sir,—I have used your Emulsion myself, and so have members of my family, and must say with signal benefit. Soon after taking it one is sensible that the article is not a "bogus" preparation, but all that it claims to be.

I am 62 years of age, undertaking the performance of three full services each Lord's day, besides week-day duties, and I am occasionally greatly indebted to your Emulsion for the tone and vigor in which I am able to go through the physically oppressive duty.

I have recommended it to parties suffering from coughs, colds, debility, &c, and I am thankful to add that the results have, in every instance, been most beneficial.

Wishing you all success,

I am, Dear Sir,

Very faithfully yours,

P. J. FILLIPI,

Episcopal Minister.

## INFANTS' HOME REPORT.

HALIFAX, N.S.

I cannot express too highly the high esteem and great value I have formed of your Emulsion of Cod Liver Oil, &c, as prescribed by our physician, Dr. T. R. Almon, and the great benefit and service it has rendered to our babies in the Home. I have found they take it without any trouble, and it does not in the least disagree with them; and with weak, delicate and anemic children who do not seem to thrive, your Emulsion has acted in a most remarkable manner in restoring the little ones to health and strength; in fact our Home cannot do without it. I can, after the experience of over four years, cheerfully recommend your Emulsion to be a most valuable medicine for children, and have found it superior to any I have used.

I am, yours respectfully,

MRS. CHASE, Matron.
