TORONTO GENERAL HOSPITAL,
INCORPORATED.
ESTABLISHED IN 1810.

This is one of the largest establishments in the Dominion, numbering its Patients by Hundreds, and with a numerous Staff of Physicians. In order to be thoroughly satisfied that

EAGAR'S OOD LIVER OREAM

was superior to all other preparations in the cure of Consumption, Scrofula and all other wasting diseases, &c., Mr. Eagar sent some dozens of his Cream to Dr. O'Kelly, Genoa. Superintendent of the above-mentioned institution, and requested that its action be compared with that of other remedies for wasting diseases, and a fair report returned to the matter. After a trial of 15 months, Mr. Eagar received the following reply:

TORONTO GENERAL HOSPITAL, Established 1810, Toronto.
M. F. EAGAR, Esq.,
Hall 22, N. S.
DEAR SIR,—I am very highly pleased with the action of your Ood Liver Oil Cream. It has been used in the Hospital in pulmonary and other wasting diseases with success. Will you kindly let me know the wholesale price for a quantity for Hospital use.

RHEUMATISM

Diphtheria CURED!

CORNHILL, HAVELock KING'S CO., N. B., July 9, 1879.
DR. C. GATES—Dear Sir,—This is to certify that my wife was taken sick in August, 1878, with Liver Complaint and Dropsy. At the same time my son was taken sick with Liver Complaint, and by using your
No. 2 Bitters and No. 1 Syrup
a perfect cure was effected in a few weeks. My son George had a Sore Throat and Scarlet Rash, and by taking your
NO. 1 SYRUP AND ACADIAN LINIMENT
soon came round all right. I had been troubled for several years with Rheumatism in the shoulders and arms and by taking a few bottles of your
BITTERS AND SYRUP,
and bathing with the ACADIAN LINIMENT, found immediate relief, and believe I am entirely cured of Rheumatism.
I have also seen your medicines used in other cases of Rheumatism and Diphtheria with the very best effect.
Yours truly,

Havill's Lung Healer.

This LUNG HEALER combines within itself the following valuable and exquisite qualities:—
First—Immediately subdues all irritations in the air vessels and lungs, from whatever cause arising. It operates by soothing the tough and rigid phlegma, and causing a free expectoration.
Second—In ASTHMA, this medicine acts like a magic, and it is impossible to describe the almost miraculous effect it has had on many persons affected with this complaint.
Third—In PULMONARY CONSUMPTION—To those who are suffering under this malady, this medicine will be found invaluable. It almost instantly relieves the most distressing Cough, Pain in the Chest, Difficulty in Breathing, &c., and commences now or early in the oppressed pulmonary organs; so that they are enabled to throw off the morbid matter which oppresses them.
Fourth—For the complaints of Infancy and childhood, such as Teething, Common Coughs, from a cold, Whooping, &c., it is peculiarly adapted, being both agreeable to the palate, and perfectly safe when administered, and more effectual than any medicine at present known, in quickly giving soothing relief to the most aggravated cases.
TESTIMONIALS:
Mr. Havill:—It is with pleasure that I add my testimony to yours in favor of your LUNG HEALER. I had a very bad cough and pain in my lungs; I procured a bottle of your LUNG HEALER, and it gave me immediate relief, and in a few days the cough was completely gone. I feel I cannot say too much in favor of your valuable medicine, and so ardently I advocate its use on all suitable occasions. There are several persons taking it through my recommendation, and in every instance with a favorable result.
Yours most respectfully,
(Signed) JOHN W. BLACKLEY,

BROWN BROTHERS & CO., Agents.
ACADIAN MINER,
December 16, 1879,
TO HOLMAN PAD CO.,
116 Hollis St., Halifax.
GENTLEMEN, I have for many years from an impaired digestion an evil which rendered me anything but an agreeable companion. At times, during an especially bad attack, the pain in the region of the heart would be terrific, causing me to become insensible in a moment. I tried many remedies, but without any permanent benefit; by last means would be invariably worse than the first; I concluded to try one of the Holman Liver Pads. During the first two weeks of wearing it, I thought it was like the many other remedies I had tried, unable to reach my ribs, but then I gradually began to grow better, and in a long time without inconvenience. I continued wearing the Pad, and wore it only in day time for two months longer; at the end of which time I ceased to be troubled with indigestion altogether, and spasms at region of heart are but of very rare occurrence, and these I have no doubt, will ultimately cease. Perhaps a little further information from you on this point would hasten this desirable end. Without troubling you with further details of my complaint and sufferings, I have only to add that I can confidently recommend the Holman Liver Pad and Remedies from personal experience of the benefits derived from their use. And I consider that I am overrate their value to those similarly afflicted as I have been.
Yours faithfully,
