POEMS AND PASTELS

By WILLIAM EDWARD HUNT

Buckram Binding, Gilt Top, - - - \$1.00

"Among the recent productions in verse the above volume deserves to take a very prominent position. It is a collection of poems on a variety of subjects, all of which are worthy of being preserved in book form. Mr. Hunt has a powerful style, and is very vivid in his images, and strong in his mode of expression. The book is neatly bound, and will be profitably and enjoyably read by all lovers of the muse."—*Mail and Empire.*
