

MOUNT ALLISON EDUCATIONAL INSTITUTIONS, SACKVILLE, N. B.

University of Mount Allison College.

JAMES R. INCH, LL.D., PRESIDENT.

THE University of Mount Allison College offers to students, whether desiring to take a full under-graduate course or a partial course limited to special studies, advantages unsurpassed in the Maritime Provinces. The brilliant record of Mount Allison men at some of the leading Universities of England, Scotland, Germany and United States, as well as the success of her under-graduates in competitive examinations elsewhere, establish beyond question the thoroughness and comprehensiveness of the education received at this University.

A Gymnasium erected and furnished with all modern appliances for physical development, during the past year, has proved to be an important auxiliary to the educational work. Further efforts will be made during the present year to increase the efficiency of the institution and to add to the comfort of students.

Special facilities will be afforded to ladies wishing to pursue the full under-graduate course, and to teachers who may need to teach during the summer term.

The next term opens August 30th. Send for Calendar.

Mount Allison Ladies' College.

REV. B. C. BORDEN, M. A., PRINCIPAL.

OVER 30 years of progressive Educational work have given this Institution an unrivalled position in the public confidence. Instruction is imparted on subjects ranging from the primary English branches through the whole College Curriculum. Young ladies studying for the purpose of qualifying themselves as teachers may here combine the accomplishments with the thorough drill necessary to their profession.

The Departments of Music and Fine Arts are maintained in a high state of efficiency. Prof. Mack's long training under Prof. Speidel, of the Stuttgart Conservatory, places him in the front rank of musical educationists.

Solo-Violin, Ensemble playing, History of Music, and other new features are added under his direction.

Painting on china, plush, wood, brass, terraline, etc., are among the novelties which illustrate the progressive character of the instruction imparted in department of Fine Arts.

If desirable, students can take, in addition to their work in the Academy, one or more classes and lectures in College. Every care is given to the private interests of the boys, so as to ensure their comfort and happiness.
