¹ - Consular training is delivered by JPPT but funded through CFSI.

² - Foreign and Official Language figures include training that has crossed over fiscal years which duplicates some courses, deliveries and students. These figures also include students who have started and not completed the required hours. Only the actual hours taken during the respective fiscal year have been credited.

³ - Includes Managers' Fora which have not been included in PeopleSoft.

⁴ - Includes DG Fora, Savvy Series, HQ/Mission Retreats (not included in PeopleSoft), Video conferences, Lectures and Brown Bag Lunches. Note that Retreats were not previously tracked and account for the increase in this category.
