

Clause 15:

15. (1) Sections two and four of An Act to amend The Returned Soldiers' Insurance Act, chapter forty-two of the statutes of 1922, are repealed.

(2) An Act in respect of The Returned Soldiers' Insurance Act, chapter sixty-seven of the statutes of 1923, is repealed.

(3) Section three of An Act to amend The Returned Soldiers' Insurance Act, chapter forty-five of the statutes of 1928, is repealed.

Mr. CROLL: What was this about?

The WITNESS: This had to do mainly with the various extensions of the period of eligibility.

The CHAIRMAN: Shall clause 15 carry?

Carried.

Shall the title carry?

Carried.

Shall the bill as amended carry?

Carried.

Shall I report the bill?

Agreed.

Mr. GREEN: I have two minor corrections to make in connection with report No. 10 on page 305.

The CHAIRMAN: That is the one we just got, is it not?

Mr. GREEN: On page 305 I am reported as having said:

Mr. GREEN: I know in our province you can get a judicial separation by proving adultery, but you cannot get a divorce.

I think that the word "adultery" should read "cruelty".

And then on page 312 I am reported as saying:

Mr. GREEN: Mr. Chairman, we had evidence to the effect that either one or both of these organizations are now incorporated under the Companies Act, 1934.

I was referring there to the legion and to the army and navy. In fact, I think the legion is not incorporated under the Companies Act. I think it should read as follows:

We had evidence that either one or both are not now incorporated under the Companies Act of 1934 and that the Legion is not incorporated under any Companies Act.

They are both obvious errors in the transcript.

The CHAIRMAN: The clerk will make a note of them and they will be entered in today's proceedings.

That brings us to the conclusion of the consideration of the matters which have been referred to us so far this session. Our current report will include the carrying of these two bills as amended and we will report them to the House. At the moment I know of no likelihood of the necessity of calling the committee together again.

Mr. LENNARD: Do you anticipate further instructions from the government? You said: "so far".

The CHAIRMAN: We are still sitting and the House is still sitting; and in veterans affairs my experience has been that nothing is final.

Mr. HERRIDGE: I thought there was one clause of the other insurance bill which was put over.

The CHAIRMAN: There was, but we disposed of it just before you came in. You will be glad to know that we dropped it, and that it has been deleted from the bill.
