NOTICE OF MOTION.

*Mr. Foster*—In Committee of the Whole—The following proposed Resolution:—

1. That it is expedient to provide that the Governor in Council may authorize the payment of a bounty of two dollars per ton on all pig iron made in Canada from Canadian ore, a bounty of two dollars per ton on all iron puddled bars made in Canada from Canadian pig iron manufactured from Canadian ore, and a bounty of two dollars per ton on all steel billets manufactured in Canada from pig iron (made in Canada from Canadian ore) and such other ingredients as are necessary and usual in the manufacture of such steel billets, the proportion of such ingredients to be regulated by order of the Governor in Council.

2. That it is expedient to provide that in the case of the products of furnaces now in operation the said bounties shall be applicable only to such products manufactured therein between the 27th day of March, 1894, and the 26th day of March, 1899, both days included, and that in the case of the products of any furnace which commences operations hereafter, but prior to the 27th day of March, 1899, the said bounties shall be applicable to such products manufactured therein during a period of five years from the date of commencing operations.
