

- 1) Honest, mutual, universal disarmament
- 2) Too much national politics and not enough world politics - this discussion is seen not for the country or one party but for the world
- 3) Need of peace mentality, world is still war-minded - regards war as a normal condition
- 4) no nation can be trusted who has unlimited armament
- 5) war preparations not limited to war times
- 6) I wish some members of the Canadian delegation had seen war.

7) etc etc
