MIGRATION

In the struggle
the one against
society; the one

The chief of
able cravings

The chief of
rays of the sun
still more savage
the body, the
and armor and

The elements

1. The explosion
2. The transition
3. Transportation
4. Barter, exchange
5. The arts

The activities
relation to place
ties. We shall

By migration
and not return
those movements
circle of activities
or total culture
had much to do
speaking.
