

CATECHISM
OF
THE METHODIST CHURCH, CANADA.

NOTE.

At the meeting of the General Conference of the Methodist Church, in London, Ontario, in 1894, it was ordered to publish for the use of the Church a new Catechism, designed to supersede the series now in use. Under this order this Catechism is now commended to our people, as a clear and succinct statement of our leading doctrines, with proof-texts taken from the authorized version of the Holy Scriptures.

TORONTO, January, 1898.
