### CONNAUGHT CUP ENTRIES ASKED FOR

T. and D. Windy Meeting—  
Caleys Exonerated and Given  
Points Over Thistles.

A general meeting of the T. & D. F.A. was held last night at Occident Hall, and a tremendous lot of discussion ensued in but a few decisions being made. Already the delegates are beginning to waste the time of the officers with unnecessary and superfluous talk. If some of them could only listen to their queries "on points of information" they would hold their peace.

F. Adey was elected a member of the Irish international selection committee and all entries for the Connaught Cup and the Ontario series which will be run jointly this year, must be made once to the T. & D. secretary, as he must inform the F.A. secretary before the eighth of June, who will be competing for the Ontario series and two dollars for the Connaught Cup series. It is expected that a large number of testates will try this year, and the interest in the series should be keener than ever.

The question of retaining players in regard to accidents was discussed, and the secretaries of the clubs were instructed to inform the president of the association of their players and the number of men who would come under a system so in- stalled. A question was raised as to whether or not a player who had been suspended could play in a practice game or not, and it was decided to ask the O. F. A. for a ruling on this matter.

The council met afterwards, and the case of Hunter of Thistles was set over to the next week. Christies claimed the points in the game with the Hamilton but it was left over until next week owing to a misunderstanding. Caledonians were granted the points in the game with Thistles, as it was clearly shown that they had received more than twelve hours' notice instead of the five hours' notice demanded. According to a version that appeared in our paper on Saturday Caleys were acting above their level, but under the true facts this altered the case considerably. The council adjourned at a late hour, and will meet tonight at the same place.

### BOXING CHAMPIONSHIPS CLASSES WELL FILLED

Ontario Union Will Hear  
Complaint of Conspiracy  
and Hold-Up.

At last night's meeting of the boxing committee of the Canadian amateur championships a representative of the Toronto Boxing Association made a further appeal for grants for training expenses to the clubs in that organization. He was informed that it was not the promise of the championship committee to provide funds for Toronto clubs, whether in or out of the T.B.A. The clubs in that organization had been given the sanction for the Ontario championships, out of which each of the clubs got about \$450, and had three sanctions since the beginning of the year. If they chose to keep their members out of the Dominion championships that was their own lookout, but complaint would be made to the Ontario Union of the actions of certain officials of the T.B.A., who had gone about endeavoring to persuade other clubs and individuals to join them in the hold-up. No more trifling was the rule.

and the committee did not care whether the T.B.A. clubs stayed or not. It was decided to close the entries then and there will be some sore heads among the boxers when they find how their affairs have been handled by those in control of the T.B.A.

Every class has filled splendidly, and all parts will be well represented, and in addition to the local boxers who belong to clubs not in the T.B.A. The draws will be made as follows on the nights of the competitions: 125 and 135 pound classes, 7.30; 125 and 135 pounds, 7.45; 145 and 155 pounds, 8.

One show takes place at the Arena on Thursday, Friday and Saturday nights. The registration committee of the Ontario branch of the Amateur Athletic Union of Canada last night placed permanently on the disqualified list a number of local baseball players, who had violated the amateur regulations after having made application for reinstatement. While their cases were up for consideration they displayed their bad faith by repeating their offences and playing in professional company.

**THE NINTH ROUND.**

### E. P. E. A. SEASON OPENS AT HAMILTON

Toronto Beat Hamilton Unit  
—Hilton's Resignation Accepted.

The Eastern Professional Football Association opened their season at Hamilton Saturday when the Toronto team defeated the Hamilton United eleven by the score of 2 to 1. The game was officially opened and the pros. have a great pitch there for the enjoyment of the game.

After the tussle a meeting of the association was held, and after a lengthy discussion, it was decided to accept Mr. W. Hilton's resignation as president of the Queen City Football Club, in his absence. The Queen City Club were given seven days in which to revoke their list of officers, so as to avoid the penalty of expulsion if the decision is not lived up to.

The question of meeting the O. F. A. regarding affiliation, was discussed, and it was decided to forward them the amount of \$10, as requested, to defray the necessary expenses of calling the delegates together.

A large crowd watched Robertson's defeat the Elm street at Riverdale Park, by 4 goals to nil.

Elm street won the toss and set the candy men to play with a strong sun shining in their eyes. Robertson's were soon attacking and the scoring, long before Clark opened the scoring. A little later Bedford added a second from a corner kick, taken by McMahon. From the goal kick Robertson's forwards worked down prettily and Wilson had the satisfaction of scoring a third goal against his old team. The Elm street defence were unable to hold the nippy forwards of Robertson's. Wilson passed to Hutchinson, 25 yards out, and scored a brilliant goal, this also being one of Elm street's last season players. Robertson's were still attacking when the whistle blew for half-time, with the score: Robertson's 4, Elm street 0.

The second half commenced by Robertson's attacking. Elm street defence were hard put to in holding the forwards. Pugh was cautioned for kicking Hutchinson. From now mid-field play followed and neither team being able to secure again, the game ended with Robertson's easy winners by 4 goals.

The teams:  
Robertson's: Ryecroft, Williams, Russell, Leedman, McKeena, Bedford, Clark, Wilson, Hutchinson, McMahon.  
Elm Street: Horne, McIntyre, Dressell, Farrow, Pugh, Thorn, Layton, Farrington, Reed, Mitchell, Ewing.

Hamilton and Bradford want to play inter-city matches and have written to the O. F. A. for permission.

Two more Ottawa professionals have applied for reinstatement. Bytown has returned to the Simon pures for four years ago and is now confined to his home.

Secretary Robertson has sent out a mail vote query regarding the accept-
