

The Pembroke Lumber Company have installed another boiler in their saw mill at Pembroke, Ont.

One of the features of the Ontario forestry exhibit at the Pan-American Exposition at Buffalo will be canoes made of basswood, cedar and birch bark. There will

also be exhibits of pulp and paper products and chemical by-products.

The Robertson Raft Company, widely known among lumbermen on account of their experiments in rafting on the Pacific Ocean, will shortly complete work

on a raft containing 6,000,000 feet of logs which was towed from Westport, on the Columbia river, to San Francisco. According to report, the company propose building a raft of 10,000,000 feet to be sent across the Pacific Ocean to Shanghai.

Offices Throughout the Civilized World

Executive Offices:

Nos. 346 and 348 Broadway, New York City, U.S.A.

THE BRADSTREET COMPANY gathers information that reflects the financial condition and the controlling circumstances of every seeker of mercantile credit. Its business may be defined as of the merchants, by the merchants, for the merchants. In procuring, verifying and promulgating information, no effort is spared, and no reasonable expense considered too great, that the results may justify its claim as an authority on all matters affecting commercial affairs and mercantile credit. Its offices and connections have been steadily extended, and it furnishes information concerning mercantile persons throughout the civilized world.

Subscriptions are based on the service furnished, and are available only by reputable wholesale, jobbing and manufacturing concerns, and by responsible and worthy financial, fiduciary and business corporations. Specific terms may be obtained by addressing the company at any of its offices. Correspondence invited.

THE BRADSTREETS COMPANY.
